

## State Gas Tax Funds To Repair Streets

Campbell Now  
A Through Street

After an inspection tour about Arlington Heights with Mayor J. D. Flentie and Trustee Goedke last week, the state highway department has placed its approval on a repair program for certain streets that will be designated as arterial highways. The streets to be so improved as announced to the board of trustees Monday evening by Mayor Flentie are:

Dunton street, from Thomas to Center (entire length thru village).  
South street, Dunton to State road.  
Sigwalt street, Dunton to State road.  
Hawthorne, from high school to Douglas.  
Douglas, from Hawthorne south to highway.

Flentie and Goedke had some other streets on their list, but the highway officials thought they were doing very well toward Arlington Heights when they placed their O. K. on the streets named above.

The Dunton street improvement will probably include some widening which is greatly needed adjacent to the business district. Parking is hazardous on many streets in Arlington Heights. An attempt will be made to remedy the worst conditions.

Following a survey made of traffic at Campbell and Dunton, the board has authorized the changing of stop signs at that corner. Hereafter Dunton street is a stop street thru the business district and all autos entering Campbell must come to a stop. Dunton street traffic no longer has right-of-way at its intersection with Campbell street.

The present board has made some excellent use of state aid gas tax money. The pavement to Creamery Package Co. was completed last year. Gas tax money has paid for material used on Ridge avenue. The contemplated improvements will be paid from gas tax funds that will accrue to the credit of Arlington Heights the coming summer.

Other major improvements made with use of gas tax funds recently, include Campbell street, from Ridge ave. west, and Douglas st. adjacent to park, an improvement that is appreciated by ball fans.

### PAY ANTICIPATION WARRANTS

Arlington Heights owes \$10,000 less than it did yesterday. Township Collector, Wm. Annen turned over \$10,000 to the village treasurer this week and the board authorized the treasurer to call tax anticipation warrants in that amount.

### NEW HEALTH BOARD

Three physicians, one dentist and a private citizen comprise the new health board for Arlington Heights. Mayor Flentie accepted the suggestions submitted by the citizens committee and submitted to the board the following appointments: Dr. Bauman, Dr. Schimmel, Dr. Best, Dr. Meisenheimer and Paul Collins. The board approved the appointments. Following the organization of the board, the board will be drawn in order to establish their terms of office, which will be from one to five years. Hereafter one appointment will be made each year.

### VILLAGE TAX RATES ARE UPHOLD

Attorney Hugo J. Thal gave an outline to the board members as to status of tax cases that have been made the basis of various suits questioning taxes filed by large corporations. Mr. Thal stated that Arlington Heights is fortunate and there is little possibility that any grounds can be found for objection to taxes levied by the municipality. Twenty villages levied taxes that exceeded the statutory amount. The court has overruled many objections that might otherwise have affected Arlington Heights.

### TRAILER ORDINANCE NEXT MONDAY

With the racing season only four weeks distant, the board will pass a revised trailer ordinance next Monday night. The rewritten ordinance will be simple. Direct connection with a sewer will be a requisite; without the connection, no trailer parking permit.

### APPROVE POPPY DAY

Approval of the sale of poppies in Arlington Heights Saturday, May 25 was given by the village board. All municipal departments will cooperate in the observance of Memorial Day, May 30th.

### ZONING BOARD GETS APPROPRIATION

Henry Mueller, president of the Zoning board appeared before the city council and requested an appropriation of \$100 to cover preliminary expenses in the compilation of new zoning code. A search will be made to secure names of

## Mayor Flentie Re-Appoints All Employees

Salaries To Remain  
At Old Figures

Mayor Flentie in a blanket appointment Monday night retained all present village employees for the coming year at no change in salaries. Heading the list were the members of the police department as follows:

	Monthly Salary
Chief of Police, Carl H. Skoog	\$175.00
Police Officers, Wm. Heinemann	\$150.00
Elmer Karstens	\$150.00
Ira Melbourne	\$150.00

A salary does not accompany every title. There are two positions filled by regular employees who receive no remuneration for their extra jobs. They are:	
Chief Engineer of Fire Dept., Wm. H. Luehring	
Thistle Commissioner, John Pirmbach	
All public servants do not receive salaries. Among those who hold positions of honor without pay are:	
Fire Chief, R. H. Jahn	
Board of Health, Dr. B. T. Best, Dr. H. A. Meisenheimer, Dr. E. W. Baumann, Dr. Schimmel, Paul Collins	

## Elsa Bearse, Kindergarten Instructor At Panama

Canal Zone Next Year

A leave of absence of one year has been requested by Miss Elsa Bearse, kindergarten instructor, who expects to teach in the Panama Canal Zone next year. Miss Bearse turned down a similar offer from the government last year. She is unwilling to sever her entire connections with Arlington Heights schools, but an opportunity to spend a year in the canal zone at the expense of Uncle Sam does not come every day and she has decided to spend the coming year in one of the government kindergartens in the zone if it is at all possible. Miss Bearse turns a deaf ear to the suggestion of some of her friends that the Geroan blitzkrieg may reach the Canal zone before next September.

## Arlington Heights

Commencement Programs

Members of the senior class of the Arlington Heights high school numbering 111 will receive their diplomas Thursday evening, June 6, in the new gymnasium. The class speakers will be Edward Bublitz, Barbara McWharther, Robert Jensen, Edith Croft, Jack Gehringer, Ruth Schwolow, Robert Haake, Harriette Willson. Musical numbers will be given by the girls ensemble and the boys chorus.

The baccalaureate sermon will be delivered by Rev. Edwin I. Stevens, St. John's Episcopal church, Mt. Prospect, Sunday evening, June 2.

Commencement exercises for eighth grade graduates of the elementary public schools will be held in the high school June 5, when Rev. Hubbard of Park Ridge, will deliver the address.

Sixteen pupils of St. James Catholic school will receive their diplomas at commencement exercises that will be held in St. James church, Sunday, June 9.

St. Peter's Lutheran school will close June 14; holding an outing June 15; and commencement, Sunday, June 16. The graduates number thirty-six.

owners of tracts of land which are scheduled for rezoning.

ROUTINE REPORTS

Police department reported collection of \$214 in fines; sale of 23 business licenses since May 6, netting \$257.53. Forty-four vehicle tags brought in \$144.55. Ticket sale for the police benefit dance will start this week.

Bills and payroll approved for payment totaled \$1,819.82.

## Milk Strike Troubles Are Here Again

Arlington Police  
Protect Deliveries  
In Arlington

The milk strike is on again and there is lots of trouble for dairies which have not signed up with the union — except in Arlington Heights, where city ordinances do not allow picketing.

Brandt's Dairy of Barrington is one of battle scenes and deliveries from that plant to neighboring towns were stopped Monday. Large groups of strikers picket the bottling plant.

Trucks of the Suburban Dairy of Des Plaines, serving Palatine and Arlington Heights bear union placards and are not molested on their regular routes, but must return to their barn by three o'clock.

Pet Milk Co. of Arlington Heights who operate a wholesale business lost a quantity of milk Monday morning when one of their trucks was stopped near Volo. Milk receipts since that time arrive by train and are protected by local police between the depot and the plant.

Reports from surrounding points tell of the dumping of milk from trucks who try to run the gauntlet of strikers. Wednesday night a truck of Buster Durr, of Wauconda, was stopped at Algonquin and Arlington Heights rds. The driver lost half of his load when the strikers opened the milk casks. County police came to the rescue before the arrival of Arlington Heights police, who had been called.

## Coming Patriotic Events

With the present need for real Americanism it is more important than ever before that all civic bodies in a community take a common interest in events that are an aid to patriotism. Here are a few of the events being planned. local ladies.

May 21—Merle Guild post was a guest of Des Plaines post when moving pictures taken by Dr. Heller in Mexico were shown.

May 25—Poppy sale, sponsored by V. F. W. auxiliary.

May 26—Memorial Sunday services will be attended in Arlington Heights Methodist church by local legion and V. F. W. posts and their auxiliaries. Commander Elmer Crane has requested that all Legionnaires report in full uniform at Legion home at 10:15.

May 28—Disaster relief call with public meeting at Arlington Heights field house.

May 30—Memorial Day parade, starting at 9:30 from Recreation park (details next week).

## Volz Attends National State Parks Conference

Rex Volz, superintendent of division one of Cook county forest preserves, attended a four day national conference on state parks last week. Meetings were held "on the ground" of the more important parks in Illinois and Indiana.

The first session was held at Starved Rock state park. Subsequent ones were at New Salem, Illinois; Turkey Run, McCormick state park and Spring Mill, Ind.

Comparison of experiences and the studying of new ideas in park development occupied the attention of a crowded four days for the 132 persons in attendance.

## Scarsdale Asks For Street Signs

Scarsdale wants street signs and they can not be the ordinary kind. Attractive signs artistically attached to corner light post is the hope of the Scarsdale Improvement association, which has forwarded its request to the village board.

The request has been referred to a committee. As one of the board members stated, "it may be difficult for a stranger to find his way about Scarsdale without signs, but believe me, it is going to be equally difficult for the village dads to find the money to pay for the signs."

And it is not all street signs, that is wanted in Scarsdale. There is a street light or two that is needed on Bristol Lane.

Rural Fire Companies  
Save Residence  
On Kern Farm

The large Kern residence of the Lexington farm, corner Plum Grove ave. and Higgins rd., was saved Saturday afternoon by the efficient work of the Palatine and Roselle rural fire departments. Loss is estimated at less than \$1,000 to the house. The large barns escaped damage.

Fire started in the basement and traveled upwards through the walls to the roof. The fire companies had a difficult time in locating the blaze and the smoke was very severe. Ten farm trucks manned by volunteer firemen hauled water to the scene faster than the fire trucks could use it.

## An Open Letter To The Citizens Of Arlington Heights

During the past thirteen days the world has witnessed a titanic continental struggle the outcome of which it is impossible, at this writing, to determine. The Total War, provoked by the most diabolic treachery and flagrant disregard of national, human and territorial rights, has undoubtedly devastated large geographic areas and has meant a vast and horrible human cost we shall never count. We can not, as a nation under God, permit again the wanton sacrifice of our youth upon the battlefields of tyranny. Those of us who would urge immediate participation in the present military operations should have impressed upon them by the inadequacy of our own national defense the folly of presuming that, by taking the field in the present hostilities, we could in any manner add to the position of the Allied armies or detract from the formidableness of the German attack. Rather, our real value as a nation resides in our capacity to insure a just and lasting peace at the close of the conflict and to aid in the reconstruction of European civilization. These objectives can be attained only by maintaining our peace.

But there is an enterprise into which we can immediately fling ourselves with the confident knowledge that every sacrifice will have significance. There are millions of refugees, who, having lost homes, property, and every vestige of their former estate, are fleeing the scene of destruction in terror. America can come to the aid of these innocent victims of war through the American Red Cross and through the Church. We are not now summoned to give the last full measure of devotion; we are not now bombed from our homes to flee in misery and confusion in a futile attempt to save whatever modicum of life remains. We are urged to give only of our wealth to lessen the suffering and necessity of the non-combatant victims of war. The peoples of Norway, Netherlands, Luxembourg, and Belgium need immediate assistance of the magnitude that only America can afford. Toward this end the American Red Cross is asking you to help in raising a fund of \$10,000,000; toward this end the Methodist Church and all Protestantism are setting aside days of prayer and fasting and urging their constituencies to give at least the cost of one Sunday dinner in self-denial.

Every true American will respond to the utmost in meeting the plea of the American Red Cross; every true Christian will send in an additional offering through his local Church. Here is your personal opportunity to practice the Golden Rule. Only a real sacrifice by every one of us will meet this tragic need — we dare not ask you for less!

In deepest sincerity,

(Rev.) R. C. SCHELLHASE.

## Swim Tickets Go On Sale

Swim tickets for the pool at Arlington Heights Recreation Park went on sale this week at \$3.00 each. They represent a saving of fifty cents for their purchasers. They are transferable and can be used by any member of the family. Similar to a railroad ticket, pool attendants will punch out the swim fee of the individual or groups who may be using it at the time. The child or the adult can use the same ticket, the amount being punched out depending on the age of the person who is using the ticket.

The purchase of a ticket not alone saves 50c, but also provides a convenient way for families to budget their swims. It is not necessary to give the youthful members of the family small sums of money every time they desire to go swimming.

The sale of season tickets last season was a disappointment to the park board as they were limited in number. With a transferable ticket, good for either youths or adults, it is the hope of the park board that there will be a swim ticket in the majority of Arlington Heights homes. They will also be sold to residents of neighboring towns.

The early sale of the tickets will aid the board in setting up their expense budget and anticipating the number of employees who will be needed.

The pool will open either June 15 or 22, depending on the weather.

## The Voelkers Find Beautiful Scenery And Real Poverty

Mr. and Mrs. Fred R. Voelker, 202 North State rd., Arlington Heights, returned home Friday from a trip of two weeks to Florida. "Perhaps a lot of our pleasure," says Mrs. Voelker, "can be credited with the performance of our Buick car, and the ease with which it was driven. We returned home relaxed and rested in spite of the 3700 miles we traveled."

"We found a lot of satisfaction in being able to pass cars of other makes when traveling through the hills and through difficult driving spots and best of all we made over 17 miles on a gallon of gas."

Stops made enroute included Lexington, Ky., Charleston, S. C., St. Augustine and Daytona Beach, and other spots in Florida.

"We may complain about the high costs of living in Illinois," continued Mrs. Voelker, "but there is hardly any living for many of the people of South Carolina. I never imagined such poverty."

## Early Paper Next Week

Due to Memorial Day all editions of the Paddock publications will go to press early next week. The Arlington Heights Herald will go to press at four o'clock Monday afternoon; Palatine edition Tuesday morning and DuPage editions Tuesday afternoon.

All readers of the papers will receive their newspapers either Tuesday or Wednesday.

## Poppy Day

Announcement was made today that Lillian Adam will function as chairman of the 19th annual Buddy Poppy sale of the Veterans of Foreign Wars of the United States, to be conducted in Arlington Heights Saturday. She will be assisted by a general committee comprising young ladies and members of the Auxiliary. A meeting of the committee was called Tuesday for the purpose of completing the organization with the appointment of subcommittees.

The local Buddy Poppy sale will be held in conjunction with the 19th annual countrywide distribution sponsored by the V. F. W. through the co-operation of its 3,500 local posts in every section of the country.

Made by disabled veterans in government hospitals, the Buddy Poppy is copyrighted by the V. F. W. in memory of America's World War dead, Chairman Adams explained. The money paid by Post No. 981 for its supply of Buddy Poppies will be divided between the veterans who make them, the V. F. W. National Home for war orphans and widows, at Eaton Rapids, Mich., and the organization's national veteran welfare and rehabilitation program.

Every cent of the actual proceeds of the sale in this community will be used for the relief work of Post No. 981 in this area.

The goal represents a 25 per cent increase over total sales last year.

## Presbyterian Choir To Repeat Concert

The Presbyterian choir of mixed voices who presented their spring concert of secular music on Tuesday evening, before a large and appreciative audience, have been requested to repeat their program, and have consented to do so on Sunday evening at 8 p. m. in the parish hall of the Presbyterian church.

This group are noted for their fine work, and under the direction of Mr. A. E. Johnson, have presented some excellent programs during the past few years.

## Disaster Call Issued For Next Tuesday

Will Test Efficiency  
Of Disaster Corps Of  
American Legion

Herman Bauman, disaster chairman of Merle Guild Post of the American Legion has announced a disaster call for next Tuesday evening, when he will set the machinery in motion that under a real disaster would assemble at a strategic point all members of the Legion. The event next Tuesday is a practice try-out to which the general public is invited.

By phone and other prearranged means, the call will flash to all parts of the town, calling members to assemble for emergency duty at once.

Announcement of the time and place is made for the accommodation of the public who may desire to witness the assemblage of the "home guards" upon whom would fall responsibility to protect property and lives in case a disaster should visit Arlington Heights.

An invitation to attend the call has been forwarded to all Legion posts in the ninth district.

Herbert Chidley, president and R. H. Mosser of the Northwest Towns Sportsmen Club attended an organization meeting of the Defense League of Cook county in Chicago Monday evening. The meeting was attended by 300 men representing skeet clubs, straight tripping clubs, rifle clubs and other sport clubs, whose members are familiar with the use of fire arms.

The formation of the defense group is purely a civil affair and is not sponsored by the military branch of the government. Its membership is purely voluntary. Its purpose is to set up an organization equipped to act quickly in case of local acts against the government.

The officers of the newly formed organization include Larry Dell of Norwood Park, who will represent the northwestern part of Cook county.

Hughes Lectures On  
Lincoln At Lions Club

C. A. Hughes presented a sketch of the early life of Abraham Lincoln at the regular meeting of the Arlington Heights Lions club Tuesday evening. He used slides to portray the manuscripts, scenes, and characters connected with events leading up to Lincoln's boyhood and revealed interesting bits about his parents and ancestors that have not been generally known.

Coming from the south, Mr. Hughes when he was young took an active interest in the life and principles of Lincoln. Taking it up as a hobby he has collected many valuable and interesting facts, some of which are not known to his biographers. The Lions club expects Mr. Hughes to appear again and continue his Life of Lincoln.

## Patrol Boys And Auxiliary Girls To Be Guests Of Cubs

Arlington Heights patrol boys from the public, Catholic and Lutheran schools are looking forward to May 28 when they will be guests of the Chicago Cubs. The patrol girls who have charge of the conduct of fellow students when they are in the hall ways, will also have the privilege of attending.

The police department arranged for the tickets; the P-T. A. will provide the transportation and all that remains to insure a perfect day is the cooperation of the weather man.

This trip to the Cub park will be the last treat for the patrol boys for the present year. Awards for the patrol boys of the public schools will be given to them at a school assembly May 31st.

## Septic Tanks Taboo In Arlington Heights

Profiting by the experience of Des Plaines, septic tanks for the handling of sewage of private homes within the village of Arlington Heights will not be permitted. Henry A. Miller, of Riverside, owner of lots in Arlington Manor, is considering the erection of a number of homes in the \$5,000 to \$6,000 class provided he can obtain sewage service. The board was emphatic Monday night in denying the right to build septic tanks.

The village clerk will suggest to Mr. Miller that he present a plat prepared by an engineer showing the lots that he desires to improve. There is a main sewer passing thru the property and perhaps sufficient laterals can be installed to serve some of the lots.

Mr. Miller owns lots north of Campbell street, which now have water connections but no sewer. Water and sewer would both be required for buildings erected south of Campbell st.

## Memorial Day Plan Nears Completion

## Youth Parade To Stress Faith In Americanism

Big Event of 9th  
District To Be Held  
At Arlington June 9

Youth Parade to be held June 9 at Arlington Heights will be a demonstration of faith in the American Ideal that will give a thrill to every American who avails himself of the privilege of watching these youngsters as they parade.

Under the direction of Victor A. Pecchia, Junior Vice-Commander of the 9th District of the American Legion, plans for the 5th annual Youth Convention and Parade are rapidly taking shape. "This year's parade promises to be the largest ever held by the 9th district," states Paul Carroll of Arlington Heights, who is treasurer of the Youth Convention and Parade committee.

The purpose of holding the parade is to acquaint the general public with the tremendous amount of work done by the American Legion in youth activities, as well as that of the American Legion auxiliary who co-operate with the Legion in this work.

The American Legion has always believed that one of the best ways of preserving the American Ideal was to do everything in their power to help the various youth organizations in their communities to carry out their programs.

## Collect Funds In Arlington For War Relief

Boy scouts are delivering in person this week to every home in Arlington Heights an appeal for funds to meet the Red Cross quota for War Relief that has been set for this town. For the convenience of the general public, the collection is being simplified. Collectors will not call personally at your door. You have the opportunity to enclose in the envelope left by the boy scout, your contribution which envelope can be left at:

Arlington Heights National Bank.

Cook County Farm Bureau.

Krause & Kehe.

Heidorn's Sweet Shop.

A similar opportunity is also being given to those who receive their mail by rural route to the Arlington Heights postoffice.

Mr. Heidorn, local chairman, is certain that the people of Arlington Heights will be glad of the opportunity to send their dollars to the Red Cross to be administered in war torn Europe.

## Ask Help of Property Owners In Junking Of Cheating Water Meters

It is not unusual for a property owner to ask the municipality to replace what he thinks is a "cheating water meter," but it is unusual for a municipality to do the asking.

It seems there are a lot of cheating water meters which are cheating the municipality of Arlington Heights. Meters that have been in constant use over twenty years are not accurate. As their parts become worn an excess amount of water is allowed to pass thru the meter without registering correctly.

The city government will benefit by correct meters and the suggestion was made at the board meeting Monday night that the municipality pay half the cost of the new meters. The water department will bring in a definite recommendation at a later meeting.

## New Instructors At Arlington High School

There will be two new instructors at Arlington Heights high school next year. Both are graduates of Beloit College. They are Roy E. Campbell and Miss Mary Louise Cornick.

Mr. Campbell aside from teaching mathematics, will be assistant athletic coach. He was a member of the football and basketball teams of Beloit college three years and co-captain in basketball the last year.

According to present plans he will coach the lights in basketball and the ends in football and assist in track.

Miss Cornick, whose home is in Omaha, majored in English and public speaking.

Final plans for the Memorial Day parade and services in Arlington Heights have been completed by the representatives of all community organizations of the village under the leadership of the Merle Guild Post of the American Legion and the Veterans of Foreign Wars.

Invitations to participate have been accepted by the majority of the following groups: City officials, Police and Fire Departments, American Legion, Veterans of Foreign Wars, American Legion Auxiliary, V. F. W. Auxiliary, American Legion Drum and Bugle Corps, Boy Scout Troops 5 and 7, Cub Packs 232, the High School Band, the Lions club, the Trade and Civic Association, the Scarsdale Improvement Association, the Stonegate Improvement Association, the Campfire Girls, the Elementary School groups, the American Red Cross Units, the Woman's club, the Junior Woman's club, the Nurse's association, and the school patrol boys.

All groups will form at Recreation park at 9 a. m. The parade will start at 9:30 and pass the reviewing stand and then proceed west to Belmont street, north on Belmont to Euclid, west on Euclid to Walnut, south on Walnut to Fremont, east on Fremont to the Memorial Park.

The complete program of the services at the park will appear in next week's issue of the Herald.

Following the services at Memorial Park, the group will drive to the Arlington Heights Cemetery where the graves of all deceased veterans will be decorated with wreaths prepared by both the American Legion and the V. F. W. Auxiliaries. The placing of the wreaths will be done by the Boy Scouts and members of the Cub Pack.

All schools within the village and adjoining rural districts have been invited to attend a practice that will be held at Recreation park, Monday afternoon, May 27 at 2:15 o'clock.

## Nation Lacks Tools To Arm, Expert Avers

(Salt Lake Telegram)

Regardless of America's need for more armaments, the nation's industrial plant cannot rapidly be turned into an arms factory, "because it has been allowed to deteriorate as a peacetime industrial plant."

This is the opinion of D. D. Fennell of Arlington Heights, Ill., consulting engineer who was one of a board of six civilian engineers who conducted an industrial mobilization survey for the army ordinance department during President Hoover's administration.

Mr. Fennell made the assertion during an interview in Salt Lake City Thursday. He will be guest speaker Friday at the Young Republican League of Utah convention.

Lack of confidence in the government, claimed Mr. Fennell, has caused industrialists to allow their plants to run down, making neither expansions nor sufficient replacements, since the industrial mobilization survey was taken 10 years ago.

Mr. Fennell agreed with the president's contention that more armaments are needed urgently, pointing out that "we have today about 2700 airplanes in the army but only 52 of them are the latest type up-to-date bombers." Most of the remainder, he contended, are useless except as training planes.

"Present plans of the United States army," he said, "call for training of about 1,000,000 men. Yet we have only 8,000 of the new Garand rifles, and even now there is a heated dispute as to whether this rifle is effective under combat conditions."

America, Mr. Fennell held, "is simply not tooled up" for war-time ordinance production. He summarized the army's lack of material by remarking:

"We've got lots of bugles and flags."

D. D. Fennell, 506 S. Evergreen, Arlington Heights, former president of the National Safety Council went to Salt Lake City, Utah, last week as representative of the Republican National committee, where he was the principal speaker Friday night at the "alarm clock" convention of the Young Republican League of Utah.

"Baby" Wins Sympathy  
Of Autoists and Police

Ira Melbourne, Arlington Heights police officer, has a tender heart and when a couple entered the police station the other day, the woman apparently carrying a baby, his sympathy was aroused and a bed for the family was improvised in the council chamber.

Imagine the surprise of the police when they learned that the "baby" was only a doll, used by the hitch hikers as a come-on to get motorists to give them a lift.

### Correct Glasses

#### IMPROVE YOUR APPEARANCE

Ugly spectacles have gone the way of hoop-skirts and mustaches. No longer need one shun glasses because they detract from appearance.

Nowadays, eyegear is designed like fine jewelry—delicately and gracefully. There are styles to blend with every shape of face—styles that are inconspicuous and becoming.

Come in and see these distinctive glasses. And if your eyes haven't been examined recently, do that now, too.

by Henry R. Wandrey

In Buddie Land I rest in peace; All worry, pain, and trouble cease.

Old Glory flies above my grave, Promotes the faith and lauds our brave. Have I now giv'n my life in vain? Do pray that yours will be a gain.

I met the Unknown Soldier here, Who pleads and prays for us, sincere: "O stop the carnage, ere too late! Let kindness rule, instead of hate."

I've also met Ray, Al and Fred, And all the Buddies, gone ahead. We know when Buddies come to stay, Since faps are blown that solemn way.

Air raids and gas we do not fear; No shrapnels are e'er seen in here; No more rifles with bayonet; Long hikes and drills did we forget.

In Buddie Land we welcome you, And the Red, the White, the Blue!

## Poppy Day To Honor The Dead By Helping The Living

Founded in 1925, by the Veterans of Foreign Wars of the United States, the V.F.W. National Home at Eaton Rapids, Mich., represents a million dollar investment in property comprising 640 acres of rolling farm land in the Grand River Valley, a Community Center structure built at a cost of \$65,000, and a modern hospital valued at \$35,000, both constructed by the Ladies' Auxiliary to the Veterans of Foreign Wars of the U. S.; dwelling units built by various state departments within the V.F.W.; farm and stock buildings, equipment, live stock, poultry, orchards, etc.

The basic purpose of the V. F. W. National Home is to give as many orphans of veterans as possible the opportunity of a normal home atmosphere to which every American boy or girl is entitled. In developing this child welfare project, the V.F.W. has deliberately avoided the atmosphere of an "institution." Individual comfortable homes take the place of dormitories. There are no drills, gongs, uniforms or any form of regimentation. Children live in "family groups" under the personal supervision of "house mothers," frequently their own.

The development of this unique child welfare project is definitely related to the success of the annual sale of Buddy Poppies conducted by the Veterans of Foreign Wars of the United States.

Every patriotic citizen who buys a Buddy Poppy has the satisfaction of knowing he is making a direct contribution to the support of this great humanitarian enterprise.

merry event and all wished Mrs. Mors many happy returns of the day.

The home of Mr. and Mrs. R. Rizzi, in S. Dunton Ave., was the gathering place Saturday evening, for a number of friends and neighbors, who enjoyed a social evening in honor of Mrs. Rizzi's birthday. Games, refreshments and good wishes gave cheer to the party. Among those present were: Mr. and Mrs. O. H. Wulbeck, Mr. and Mrs. Nick Fischer, Mr. and Mrs. A. J. Adam and Mr. C. Emmett.

Poppy Day Saturday, May 25.

G. L. Hughes has been sick several days the past week, unable to fill his place as mail carrier.

## Emergencies Arise

By C. W. Lussman  
Of Sieburg Pharmacy  
Spring brings certain hazards to life apart from that well known "flu" which afflicts the majority when days grow sunny and long.

Bruises, cuts, small hurts occur incident to house cleaning, activities on "the sand lot," gardening, the new happy life of out of doors.

Never neglect a cut or bruise. Refer all such small catastrophes to your family doctor. Prevent infection, guard against major results that can occur and do occur from insignificant beginnings.

Treatment must be expert, lotions, cleansing, healing gericides must be of the best. Go to a good druggist for these supplies.

## Richard Best On Business Trip In West Indies

Richard Best, son of Dr. and Mrs. B. T. Best who is employed by the General Milk Company, an exporting concern of New York City, left New York last Tuesday for a three months business trip to several points in the West Indies and South America.

His first destination will be Nassau, an island in the West Indies, where he will remain for ten days. From there he will fly to Trinidad, an island off the North Coast of South America, a trip which will take two days by plane with a stop over at San Juan in Porto Rico. After a month's stay in Trinidad, Richard will travel by boat to Barbados, an island off South America and from there will go to Georgetown, British Guiana, in South America. He expects to return to New York City in the middle of August. Last year Richard spent some time in Guatemala and British Honduras on business for the firm.

## Fancy Goods Exhibit Next Tuesday

Every kind of fancy work, including quilts will be on display at the St. John's church on next Tuesday afternoon and evening when the Ladies' Aid are holding a fancy goods exhibit. A program and refreshments will also be enjoyed by those attending. Admission price is 25c and you may secure tickets at the door.

## Club Calendar

St. John's Ladies' Fancy goods exhibit on May 28, afternoon and evening.

Flower and Garden show on June 15 and 16.

## Senior Hobo Day Copy Oakies In Grapes Of Wrath

Senior boys and girls came to school looking like the "Oakies" children in "Grapes of Wrath" on Wednesday of last week in celebration of Senior Hobo day.

The class members vied to out do each other in the sartorial smartness of bum's attire, and the results were most amusing.

Those who were fairly well together in the morning, were in tatters by noon as the underclassmen added rents to those already present, in their costumes. By night some of the boys arrived home minus their shirts, but with the assurance that senior Hobo day had been a great success.

## Des Plaines League Plan Tea For District

With the serious business of the club year over until the fall, Juniors in the 7th district, IFWC., are turning their thoughts to the lighter affairs of May.

This Sunday the Junior League of the Des Plaines Woman's club and the 20th Century Junior Woman's club of Park Ridge will sponsor a District Junior Tea, from 2 to 5 o'clock, in the Pickwick club rooms, Pickwick building, in Park Ridge.

Mrs. A. A. Manteussel with her committee of Miss Ruth Heesch, Miss Elaine Rothery and Miss Ruth Coffy, all of the Des Plaines Junior League, will have charge of the tickets and general arrangements.

Mrs. H. E. Swanson assisted by Miss Jane Knowles and Miss Jeanette Johnson of the 20th Century Junior Woman's club of Park Ridge is arranging the program.

Next Wednesday the Portage Park Junior Woman's club will go a-dancing informally at a Pre-Summer Frolic in the main dining room of the Midwest Athletic club, 6 N. Hamlin ave.

## Grade School Orchestra, Band Entertain Parents

## Mother And Daughter Party Well Attended

About fifty mothers and daughters attended the party given by the Mother's club of the Methodist church May 15, when an entertaining program was presented.

The daughters of the members presented a play "The Raven Man" which was greatly enjoyed by the guests, a girls' trio composed of Virginia Gould, Jean Bolton and Shirley Jonas sang several numbers and were accompanied by Mrs. E. C. Bolton. Velma Heide-man and Arlene Meyer dressed in Dutch costume sang, "In An Old Dutch Garden," and Margarette Platte played a piano solo. The evening's program was concluded with a candle lighting service, in which all the mothers and daughters present took part.

## Auxiliary Notes American Legion

Tuesday afternoon the members of the American Legion Auxiliary spent a pleasant afternoon at the home of Mrs. P. LeRoy May.

Thursday the sixteenth, twelve members from Merle Guild Unit No. 208 went to the 9th district meeting at Barrington.

Mrs. Joseph Wisersky as National Defense chairman of the 9th district is a busy woman these days. She has presented medals for general excellence to the R.O.T.C. students at Steinmetz, Lane, Schurz and Foreman high schools. On Sunday she had the pleasure of presenting her daughter, Leona, with the medal, which she won in the essay contest in the St. James school, which is sponsored by the American Legion auxiliary.

The doors at Legion House, corner of Campbell and Chestnut will be open at nine o'clock for the rummage sale, which will be held this Saturday.

Rummage will be received on Friday. If it is not convenient to leave it at Legion House, please call Mrs. Peroutka, tel 1328-R and some one from the auxiliary will call for it.

Rummage sale will be held by the American Legion Auxiliary, May 25th.

## Field House Activities

Tuesday, May 28—Chicago Medical Society, Irving Park branch, Recreational hall; National Disastrous organization, club room.

Wednesday, May 29 — Albert Kastning silver wedding, Recreational hall.

Friday, May 31—Dancing school, 1-6:30 p. m.

## A Treasure Hunt Minus The Treasure

There is a moral to this story—when you hide a treasure do it well. No one knows this better than the members of the Chanyata group of Campfire girls, who went on a hike and treasure hunt one day last week, only to find that the treasure had been stolen when they reached the end of the trail.

No doubt some very young fishermen who spend their spare time fishing along Salt Creek, felt that their catch was good indeed, when it netted fourteen candy bars, which had been hidden under a culvert near their fishing grounds.

At any rate the girls were met one of the mothers who most thoughtfully had provided a treat, which saved the day, but the girls are hoping that their treasure did not rest too well in the guilty stomachs.

Mrs. Gene Heller was hostess to a group of friends at a one o'clock luncheon on Wednesday of last week. Bridge was the diversion of the afternoon. Mrs. Kumlir and Mrs. Fellingham received high honors.

## Mrs. Pecchia To Give Talk At Maine High

As director of the ninth district of the American Legion Auxiliary, Mrs. V. A. Pecchia will give a talk on "The American Flag" before the general assembly of the Maine township high school on Wednesday, May 29, when they are to have an Americanism program in celebration of Decoration day.

## 8th Grade Girls Entertain Mothers

The mothers of the girls of the eighth grade will be guests at a party in the domestic science rooms on Thursday of this week, when the girls will model garments that they have made this year, which include dresses, aprons and jackets and many other useful articles. Refreshments prepared by the girls will be served to the guests.

Mrs. Alvina Schumaker of Sherburn, Minn., mother of Mrs. Wm. Annen and Mrs. Oitgard also of Sherburn, Minn., sister of Mrs. Annen, are guests at the Annen home. They arrived in time to join the happy occasion of Patty Annen's first communion, which took place on Mother's day in the St. James Catholic church.

## Arlington Girls Plan To Attend Camp Nawakwa

Stories were told of camp life at Camp Nawakwa, the official camp of the Camp Fire Girls, which is located near South Haven, Mich. at the party which was held last Friday evening at the North school when the parents of Camp Fire Girls were their guests.

Several girls attended the camp last year and are most enthusiastic about returning and many of the newer members of Camp Fire girls are planning to attend this year.

The camp has a most ideal location near South Haven, Mich., on a sixteen acre tract comprising meadow, woodland, ravine, and Lake Michigan Beach. It is one of the largest and best equipped Camp Fire camps in the United States. Every form of camp activity is offered to those attending, including nature study, handicraft, camp craft, music and dancing, dramatics, journalism, archery, horse back riding, swimming and canoeing.

A staff of twenty-five are required to operate the program, and all counselors attend a pre-camp for training in camp activities.

The girls from the local Camp Fire Girls will attend camp during the second week in July, and Mrs. B. H. Jarvis, Camp Fire guardian, will accompany the girls. Miss Evelyn Jarvis, a student at Beloit college, is to be a counselor at the camp for the entire summer season.

The camp will open for its twenty-seventh season on June 24 and will close the first week in September.

## You Are Invited To Visit a Funeral Home

### A Funeral Service Includes

- Directional Service
- All necessary Facilities and Equipment
- Skilled Professional Staff
- Modern Funeral Home or Mortuary
- Every Sanitary Factor
- Motor Equipment
- Casket and Funeral Merchandise

Tomorrow National Funeral Home Inspection Week starts. We hold an Original Sponsors Certificate for this week and invite the public to come in and visit us at our funeral home during the celebration of the event.

A Funeral Director renders a most intimate and personal service. Thus, it is extremely important that you choose a man in whom you have explicit confidence.

May we suggest that if you are not familiar with any Funeral Director, if there is no one Funeral Director to whom you would turn, in time of trouble, in this city; that at some time during National Funeral Home Inspection Week you pay a visit to a Funeral Home.

There you will receive enlightenment on a subject which all mortals must face, but which only men approach with confidence. Difficulties will be cleared away. The solution of puzzling problems will be made clear.

## Panel Discussion on 'Child Development Through the Home' Discussed at P.T.A.

A panel discussion led by Mr. C. V. Baker, superintendent of schools, and discussed by Mrs. John Monroe, P.T.A. treasurer, Mr. Stuart Paddock, publisher, Mrs. J. M. Sommer, president elect of the P.T.A., Mr. Milton Bollman, assistant superintendent of schools of Cook county, and Dr. Leo A. Des Jardins, leisure time chairman of the P.T.A. on "How Can the Home Extend the Interests of the Children Created and Fostered by the School?" proved to be one of great interest.

The discussion really summed up the theme of the Parent-Teacher association for the year, "Promoting Child Welfare Through Better Knowledge of School Education."

It was brought out that a child's mind is like a garden, where good or bad seed may be sown in fertile soil. As parents we must instill self-confidence in our children, aiding them in conquering the fears which enter their small world. As parents we must give to them a sense of security, which every child should find in his home and surroundings, if he is to develop to his best.

The members of the panel suggested many important ways to give the child this security, by se-

ing that he is physically fit to meet the demands of his every day life, to show an active interest in all of his problems and interests, to try and understand child behavior, demonstrating great patience at all times, to give the children a part in the management of the home without allowing him to mismanage it. Instill in the child the feeling that he has a place in the home and is wanted. Discuss with him local state and national affairs, and take an active interest in them with him. In other words be a parent who knows his child, and is doing all in his power to make of him a useful and well developed citizen. Preceding the panel discussion

Mr. Theodore Preuss, director of music in the St. Peter's Lutheran school, presented his children's chorus in a group of songs, which were sung without piano accompaniment, in a very beautiful manner. The harmony of the young voices, in difficult songs, where several parts were carried, showed excellent training.

During the business meeting, Mrs. J. M. Sommer, president elect, gave her convention report, and installation of officers followed. Mrs. Rex Volz, retiring president, was presented with a past president's pin by members of the P.T.A. board.

### Mother and Daughter Banquet at St. John's Church Was Wednesday

The annual Mother and Daughter banquet of St. John Evangelical church was held in the church parlors on Wednesday evening, May 15, at six thirty o'clock. Miss Ida Krumweide was general chairman of the affair being assisted by Mrs. Bernice Runge as ticket sales chairman and Mrs. R. J. Kalwitz as program chairman.

The following program was presented: "A Welcome" by Virginia Deering, toastmistress, a song, "The Voice in the Old Village Choir," by a girls' trio — Bernice and Louise Benic, and Ruth Duenn; a cello solo, "Home Sweet Home" by Marion Helfers; a song, "Circibirim," by Eunice Mae Ziesk, accompanied by Dorothy Milbratz; two solos, "Romance and Mother" by Ruth Wenzel, accompanied by Ethel Mundt. Mrs. Ben Helfers played for all of the group singing. The speaker of the evening was Miss Genevieve Staudt, dean of women of Elmhurst College, Elmhurst, Illinois. She spoke on the security, the recognition, and the purpose of our lives as mothers and daughters. There were about one hundred mothers and daughters present.

### Will Remodel Church

The members of St. John Evangelical Congregation voted to remodel the present church edifice which will include a 22 foot addition on the east side of the present building. A new tower will be erected which will include the installation of interior entrance steps to the sanctuary. Mr. W. F. McCaughey of Park Ridge has been engaged as the architect.

## Behind Scenes In American Business

By John Craudock

New York, May 20—Business—Far overshadowing all other factors in the business situation is the seemingly unanimous decision of the American people to go ahead with an unparalleled re-armament program. Though there may still be differences of opinion about Uncle Sam's proper role in the European war, its lightning spread through the low countries and the revelation of the terrible efficiency of the Nazi machine—especially the demonstration of what aerial might can accomplish—have aroused the U. S. to the need of gi-

gant preparations for our own defense. Stepping up our war-materials industries to the contemplated levels will bring some sort of boom. But it will be spotty, of course, and there will be detracting and counter-balancing losses of some other forms of industry—and further restrictions on exports of peacetime goods, including agricultural commodities. There will be new debt and tax problems, likewise, to detract from the normally happy effects of increased industrial activity. But, come what may, America is going to get ready.

Washington—It seems certain there will have to be some relaxation of the maximum hours-per-week restrictions on skilled labor if we are to go into 24-hours-a-day production on Army and Navy contracts, as President Roosevelt has asked. Because of the shortage of skilled labor the shipbuilding, machine tool and aircraft engine industries cannot very well establish additional shifts for round-the-clock production. In a number of processes the "shift" arrangement is not practical because work must be carried through to completion by the same technicians who begin it. These industries, which for some months have been far and away the most active have had to pay heavy overtime wages because of this shortage of skilled labor. It would not be surprising to find a system of training factory-schools being set up before long, with close government-industry co-operation, in an effort to speed training of skilled and semi-skilled workers in these trades.

Career Service—The two major obstacles to a "career civil service" in American municipalities are the requirements of residence, and unqualified permanent tenure of office, according to the National Consumers Tax Commission. The commission, which has 5,000 local study groups of women, urges removal of

efficiency and economy. NCTC these obstacles in the interest of women assert that theory of "home town jobs for home town boys" limits civil service employees to opportunities offered by their home towns and thus eliminates ambitious and able persons from entering the service. Permanent tenure may protect employees from the "spoils system," they grant, but say it also protects the jobs of the inefficient. The women are urging their cities to adopt civil service but without this pair of harmful but common provisions.

Right on the Line—In contrast to the nine-run of vague commencement-time solemnizing, this spring American youth has had opportunities charted for it in concrete fashion by more than a dozen of the nation's top-notch business men, at the University of Rochester's clinic on "New Frontiers in America," called by that institution's young president, Dr. Alan Valentine. Headed by Owen D. Young, the leaders laid out the line their ideas about exactly where and how to seek useful careers. Langbourne Williams, president of Freeport Sulphur Company pointed out that new frontiers are constantly being opened up through technical exploration and creation of new natural resources where it was believed none existed, citing the examples of bromine and magnesium from sea water, and molybdenum, now profitably extracted from earth containing only six-tenths of one per cent of the metal. Arthur G. Hoadley, president of the middle western division of A & P, said "the key log in our jammed national economy is inefficient distribution," indicating opportunities there for lads with the right ideas for solution. Colonel David M. Goodrich, board chairman of the big rubber company, reminded the collegians that right now there are only as many airplanes in this country as there were autos in the "horse-and-buggy" year of 1901.

Things To Watch For—Men's hats that have a "built-in" angle—that is, the crown is built a half-inch higher on one side than the other, so that even if it is worn squarely on the head, it will have that "comphish" (or would it be?) angle... a small, portable sand-papier machine for refinishing high-chairs, tilt-top tables and things around the house—runs by electric motor and has an endless belt of sandpaper... giant-screen television—really giant, that is, 4 by 12 feet—predicted to be ready in another three months, by David Sarnoff, president of Radio Corporation, and likely to be installed in movie houses... a miniature, hydraulic self-starter for small airplanes—weighs only 15 pounds and as big as a coconut... ash trays that have notches at the side just the right size and shape to extinguish any neglected cigarette when it burns down to that point—available in either glass or pottery.

Determined Collegians Police have banned hitchhiking in Minneapolis, but Winston Oberg and Phil Swanson live too far from the University of Minnesota to walk and neither has a car. So they built a kayak and now paddle up the Mississippi river to school in 35 minutes.

World Population Increase According to the figures of the League of Nations, the average annual increase in population in the world is 30,000,000. Other estimates are 20,000,000 a year.

## Adults Get Special Rate To Conference Track Meet

The Northeast conference annual track and field meet will be held this year at Niles township high school, Niles center, this Friday. The finals will start at 2 p. m. Arlington high school has approved the shortening of classes so that the students can attend the meet in the afternoon. All other schools in the conference are also excusing pupils for the event and a large attendance is expected. Any adult or student may obtain advance-sale tickets at the high school for 15c and the local athletic association will share in the advance sale. The Niles Center track is equipped with a large grandstand, so all will be able to see the events in comfort.

Many of the students will have to ask parents to drive them to the meet, so adults are being allowed the student price if tickets are purchased at the schools in advance. The admission at the gate will be 25c for everyone. Any student will be glad to buy tickets for you at the high school office. The schools in the Northeast conference are Libertyville, Grunee, Lake Forest, Niles Center, Franklin Park, Arlington Heights, Crystal Lake and Woodstock. From the dual and three-cornered meets which have been held so far this spring, it is evident that the points will be well divided among the schools. More definite predictions will be found on the sports page of this issue.

## Weather Holds Up Softball Schedule; Gaare's, Buffalo Gr. Win

Only two of the five games scheduled for opening week of the Arlington Softball League were played as bad weather ruined three. Buffalo Grove opened the schedule with an 11-5 victory over C. Y. O. Gaare's Studebakers took Arlington Cafe for a 10-3 ride.

Gus Salmen's hitting featured the Buffalo Grove attack, as manager Gus got three hits. Del Dobbin was close behind him with two, one of which was a homer. Roger Hertel hit three for four to pace the Gaare offense, leading off with a home run in the second inning against the offerings of George Weiserger. Irv. Kehe and Paul Tossman got two hits each. Bob Lucas hit twice for Cafe while Weiserger homered in the seventh.

Wheeling opened the second week's games with a 7-3 victory over Leo's Barbers. Ed. Mueller allowed seven hits but was given poor support in the tough spots. Wheeling came through with flawless defensive play and hustled throughout the game.

Schedule for week of May 27: Monday—Mt. Prospect vs. Gaare. Tuesday—C. Y. O. vs. Wheeling. Wednesday—Leo vs. Heidorn. Thursday—Decoration day—no game. Friday (at Mt. Prospect)—Heidorn vs. Bensenville.

## Annual Camporee To Be Held June 14, 15, 16, At Camp Dan Beard

The high-light of the end of the school year of the Northwest Suburban Council each year is the Annual Camporee which is a demonstration of Troop camping by Patrols. The annual Camporee this year will be held June 14, 15 and 16 at Camp Dan Beard, northeast of Wheeling it was announced by W. C. Strassheim, Vice-Chairman of the Council Camping and Activities committee and Camporee Camp Chief.

Being held after school is out enables the Scout to have a full week-end of camping and activities together. The Camporee will open Friday afternoon at four o'clock and a campfire will be held Friday evening featuring singing, stunts and other fun activities. The Saturday evening program will include a Council-wide Court of Honor and other feature events.

One of the features of the Camporee program this year will be an adventure trail hike where the Patrols under their own leadership will carry out a series of activities. Another feature of the program this year will be that a minimum amount of time will be spent by the Scouts participating in the camp inspection. Under the leadership of Scout Commissioner H. F. Koelling and his staff of District Commissioners, A. R. Crawford of the Eastern District, S. H. Rosenthal of the Central District and Robt. A. Granger of the Northern District the inspection will be so arranged that it will take up very little time of the Scouts themselves. Everyone is invited to attend the Camporee and are urged to set aside these dates.

## New Goodyear Tire Announced By Dealer

Important to the owners of not-so-new automobiles, who may be thinking about new tires to insure themselves trouble-free Memorial Day week-end holiday trips, is an announcement by Elroy Winkelman, Arlington Heights, local Goodyear dealer, of the company's new All-American tire, priced within the reach of 70 per cent of the majority market of users.

In discussing the tire, Mr. Winkelman said: "It's full-size and bears a life-time guarantee without time or mileage limitations. These are the sizes: 6.00-16, 5.25-17, 5.50-17 and 4.75-19/5.00-19, so you can see that it is tailor-made to fit a lot of cars now operating."

## Arlington Leagues Observe Birthday With Social Evening

The Arlington Heights Leagues are commemorating the birthday of the organization of the International Walther League by having a special social evening for all the young people of the congregation, members and non-members, at their school hall on May 24 at 7:30 o'clock.

Rev. Fedder of Des Plaines has been engaged as the guest speaker, and Mr. O. A. Koehnke, who is well known in Lutheran circles as a toastmaster will serve in that capacity at the supper. Bud Colba, the popular and jovial leader, will be the song leader. The feature of the evening will be the candle lighting service during the supper. This ceremony involves the lighting of three candles with one another as the emblem of fellowship in the Walther Leagues of the entire International organization. This performance is the main part of all the birthday parties of the Leagues.

Vera Koehnke is in charge of the arrangements and is assisted by Gertrude Hinz with the recreation, Mildred Behrens in the decorations, and Ruth Hoeft, Florence Honemann, Ruth Hildebrandt, and Arlene Nagel taking care of the eating portion of the program. All these committees have had the energetic and whole-hearted support of a large number of the junior and senior members, and they all promise a very entertaining and satisfying evening of fun and fellowship.

A charge will be made of 25c for the seniors and their guests and 15c for the juniors and freshmen and their guests; the newly confirmed will be the guests of the three Leagues.

## Seven Arlington Lions Attend State Convention

Seven Lions from Arlington Heights attended the state convention at Jacksonville, Ill., the early part of the week. Lions Latoff, Heidorn, Schimming, Ewert, Reed, Knaack, and Karstens from Arlington Heights and Otto Gaare, of Palatine, represented the local clubs.

One of the highlights of the meeting was the stirring appeal by Melvin Jones, secretary-general, for Lions everywhere to guard against a "fifth column" movement in the United States. He urged members to report any un-American activities to the proper authorities in their districts.

N. M. Latoff, secretary of the Arlington Heights club and zone chairman, reported that district 1-A had made a creditable showing in their number of delegates attending the convention. At their district meeting, the Lions voted unanimously to re-elect Lion Elbert of Maywood, as district governor.

# Palatine Marching Band Wins National Contest

Palatine staged an impromptu reception at eleven o'clock Friday night welcoming back home the victorious Palatine high school band that had carried off first honors at the national contest held at Battle Creek.

A telegram Friday morning brought the word that Palatine had won. It was the topic of conversation in the stores, private homes and about the school.

Hurried reception plans were made as telephone wires sought word of the hour of arrival. Scouts

were dispatched towards Chicago to report progress of the bus, which was met at the outskirts of Palatine by two fire trucks, police car and a great many private autos. Fire and police sirens announced to waiting Palatine that the victory cavalcade was arriving. Hundreds of cheering friends, red flares, auto horns and open arms received the band members. Everyone seemed to be "too full for utterance" and there was little speech making aside from a short talk by the band leader, E. G.

Stiles. Palatine band competed against schools with enrollments between 250 and 750. Thirteen bands were entered in their class. Only one other received a first rating. Indiana is one of the leading states for marching bands and the eight Indiana bands competing against Palatine were all winners of district contests and represented the best in the state. The little Palatine band of 38 pieces marched against bands of sixty and seventy-five pieces.

## Appeal for Mercy

Urgent needs of war-stricken civilians throughout Europe have prompted the American Red Cross to issue its first war relief appeal since the World War. A drive is now under way throughout the country to raise a minimum of \$10,000,000 to purchase all kinds of relief supplies. The above poster has been selected to carry the appeals to the nation.

## Dancing Pupils To Give Review Of 1940 At Pickwick Theatre

Pupils of the Gladys Schweitzer Schools of Dancing in Arlington Heights and Park Ridge will be presented in a "Review of 1940," given at the Pickwick Theatre in Park Ridge, Friday evening, June 7, at 8 p. m.

Miss Schweitzer opened a branch school in Arlington Heights last fall at the Field House and plans to continue teaching in September when classes will reopen after the summer vacation. An excellent opportunity is presented to those interested in dancing lessons, to see exactly what can be accomplished in this school by attending the recital, the thirteenth annual production staged by Miss Schweitzer.

The program consists of five scenes as follows:

- Scene 1. Kitchen of the Rhythm Club.
  - Scene 2. Rhythm Club.
  - Scene 3. Indian Camp.
  - Scene 4. A Garden Tryst.
  - Scene 5. March Militaire.
- Elaborate scenery, music, gorgeous costumes, glamorous girls—an amateur show with a professional atmosphere. Don't miss it!

Phone Arlington Heights 620 for tickets or get them from students or at the door. Adults 45 cents; children 25c.

Mrs. Wm. Curtis, Miss Mildred Porvich, Mrs. Josephine Bencie, of Arlington Heights, Mrs. Ley of Park Ridge, and Mrs. Wagner of Chicago, enjoyed dinner at Hardings on Tuesday and in the evening.

## One Week More To Pay Taxes

Penalties Added  
After June 1

One week remains before the deadline for paying the first installment of the 1939 taxes, said County Treasurer John Toman. June 1 is the deadline or penalty date and all unpaid taxes after the date will have a one per cent a month penalty added.

Toman says the closing days will naturally see a tremendous crowd rushing to pay and he advises all who can to pay by mail and check. This he says, will avoid hours of waiting in line. He also advises all who have not received their bill to notify his office at once. All bills have been mailed, he says, but oftentimes a change in address or sale of property causes bills to be lost. Failure to receive your bill, he says does not exempt one from the penalties. Toman says judging from the way taxpayers have been paying their bills this year, he feels they have become tax-minded and realize it is more profitable to pay on time than delay and have penalties added.

He will be buried at Buffalo Grove cemetery.

Deceased was born in Czechoslovakia April 19, 1889, coming to Arlington Heights when 16 years old. After working in Pennsylvania and Chicago, he returned to Arlington Heights, where he has lived 27 years.

There remain his wife, two sons, Joseph and Steve; two daughters, Mrs. Ann Raupp and Mary Collignon, of Elgin.

### Rev. Albert Wangerin, Official of Lutheran Old Folks Home, Dies

The Rev. Albert D. Wangerin, widely known Lutheran pastor and secretary for many years of the Lutheran Old Folks Home at Arlington Heights, died May 17 at the age of 59 in his home at 4512 North Drake ave. For 32 years he had been pastor of the Tabernacle Lutheran church, 3540 Sunnyside ave., Chicago.

The Rev. Mr. Wangerin was born near Kankakee, the son of the late Rev. Albert Wangerin, who also taught at the Christian Day school, where his son was educated. The son was graduated from Concordia college, Milwaukee, and Concordia seminary, St. Louis, Mo. He was chairman of the mission board of the northern Illinois district of the Missouri synod for nine years, and chairman of the Lutheran Industrial home at Addison, DuPage county.

### Long Grove Farm Has Fourth Fire In 5 Years

Three fire companies were called to the N. J. Coltrin farm on route 22, east of Long Grove late Tuesday afternoon when lightning struck a large barn. The building and contents were burned to the ground. Fire departments answering the call were Lake Zurich, Long Grove and Palatine. The two trucks of the latter were not placed in service.

This is the fourth fire that has occurred at the Coltrin farm in the last five years. The barn destroyed was only a little over a year old.

### Eagles Building Dormitory At Father Flanagan's Boy Town

Eagles of Des Plaines, Arlington Heights and throughout the nation are being asked this month to contribute to the erection of an Eagles building at Father Flanagan's Boy Town, that will provide accommodations for 125 boys. At the last grand aerial session of the Eagles, held in Chicago, a resolution was adopted endorsing Father Flanagan's work and plans made for the erection of the building, which is one of a group which will provide accommodations for 500 more boys.

The inscription on the aviation monument at Kitty Hawk, N. C., is as follows: "The first successful flight of an airplane was made from this spot by Orville Wright, December 17, 1903, in a machine designed and built by Wilbur and Orville Wright."

### State Helps Pay Burial Costs Of Destitute

The State of Illinois, since the old age assistance act became effective in April, 1936, has contributed \$607,948 toward the burial of 32,733 of its aged wards who have died in the time. The total number of recipients who have been on the rolls in the four year period is 186,153 and the monthly death rate has been six out of each thousand persons.

Mary E. Macafee, superintendent of DuPage County Department of Public Welfare states these figures were revealed today by Fletcher C. Kettle, superintendent of the Division of Old Age Assistance, in describing how the State insures that each one of its aged wards receives proper interment.

"The Division of Old Age Assistance provides burial for every recipient who dies without resources and has no children financially able to meet this expense," Mr. Kettle explained. "The \$607,948 which the Division has paid in burial claims represents one-fourth of the cost of the burials. Seven and one-half per cent of the costs have been paid from the estates of the deceased, 18.5 per cent from insurance and burial policies and 49 per cent by relatives and friends."

"The law provides that funeral expenses of \$100 may be paid by the State if the estate of the deceased is insufficient to meet this cost and if there are no children able to do so. If funds are available for payment of part of the cost the Division supplements these funds. In no case where the State pays any part of the expense may the expenditures for a funeral, including funds from estates, relatives and friends, be more than \$100."

"The Division has a definite state-wide standard for the funeral of a recipient. The standard is one that is possible and appropriate in a family of moderate means. If the deceased recipient is entirely destitute the undertaker must, from the \$100 allowed by the State, provide the preparation of the body; a complete set of clothing of good quality; a cloth-covered, fully upholstered casket, trimmed with six short bar handles; religious services in the home, church or funeral parlor; hearse and an additional automobile; and a cemetery lot. Under no circumstances may a deceased recipient be buried in a potter's field nor in a pauper burying-ground."

The undertaker is chosen by the relatives or friends of the deceased. The undertakers' associations have given the Division of Old Age Assistance the most cordial cooperation in formulating policies which provide, at the allowance fixed by law, the maximum amount of service for the burial of deceased recipients and in establishing and maintaining the state-wide, uniform standard.

"The recipient may own a burial lot, relatives and friends may provide clothing, automobiles, flowers and music. The minister often donates his services. These contributions are not subtracted from the allowance of \$100."

### Gulf Stream's Cold Spot

The Gulf Stream flows against a bank of cold water off the coast of North Carolina. In winter weather, a coast guard cutter 240 feet long was placed directly across the "wall" of the stream, and tests showed the water temperature at the bow was 34 degrees, at the stern, 56 degrees.

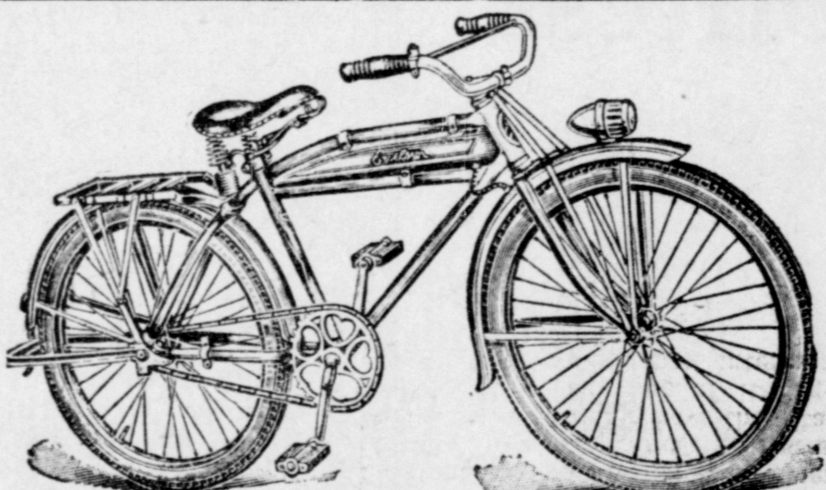

### Irish Leech-Healing

## Look To Festival and Dance to Buy Street Signs

Mt. Prospect Lions Foster \$700 Project As Next Job

There are many months before Sept. 12-14, the date of Mt. Prospect's fall festival, but Mt. Prospect Lions have assumed a civic job that means street signs for their home town and the raising of \$700 to pay the cost of their installation.

The posts for the signs are in place; the signs are expected this week, and the attention of the members has turned to the sale of tickets for their spring dance which will be held Saturday evening at Mt. Prospect Country club. The proceeds from this dance will be the nucleus of the street sign fund. The fall festival is expected to produce the balance of the \$700. Earl Fredrichs and his orchestra will furnish the music. Lions club dances are always well attended and with the added incentive of street signs for the village, local residents are expected to be present en masse.

## Men's Club Elects New Officers

At the last meeting of the Mount Prospect Men's Club the following officers were elected for the coming year:

President—M. Cleaver.  
Vice President—E. Danish.  
Secretary—A. Beigel.  
Treasurer—J. Wax.  
Executive Committee—W. Mott, H. Meyer.

Plans were made to have another golf tournament during June and also to have some get-together during July and August.

A report was given about the spring dance which indicated that the dance was a success both socially and financially.

The newly elected president said that he hoped to increase the attendance at the meetings and asked that all members of the club talk about the organization to those who have not attended a meeting and bring new people up to the next meeting.

Mrs. Frank Seibel entertained the Birthday club on Friday, May 17.

Mrs. Constance Robinson has been visiting at the home of her daughter, Mrs. Norman Johnson.

Mr. and Mrs. Norman Johnson entertained relatives and friends at a party in honor of their little daughter, Thordis Jane's second birthday Saturday, May 18. Thordis Jane received many beautiful gifts.

## SOCIAL EVENTS IN MOUNT PROSPECT

Irene Mueller  
Weds H. Knosp  
Thursday May 16

Irene Mueller, daughter of Mr. and Mrs. G. Mueller of Des Plaines, became the bride of Henry Knosp, son of Mr. and Mrs. H. Knosp of Mt. Prospect, at a pretty home wedding last Thursday evening at 8 p. m. The ceremony was performed in the bride's home before members of the immediate families and closest friends.

The bride was attired in a blue street dress and wore a corsage of gardenias. Irene Wille of Des Plaines, her bridesmaid, wore a street dress of similar style in rose color.

The groom was attended by Geo. Mueller, brother of the bride, as best man. Both wore business suits.

A wedding reception was held in the bride's home, where many friends gathered to extend their congratulations and best wishes to the bride and groom.

The newly weds left Friday morning on a honeymoon trip to Wisconsin. They will reside in an apartment in Mt. Prospect.

## Woman's Club Annual Luncheon Held Tuesday

The Mount Prospect Woman's club held their annual luncheon at the Kildeer Country club last Tuesday.

Mrs. Clarence Gallagher, club president, presided and introduced Mrs. B. A. Noyes, Seventh District first vice president, as a special guest. Mrs. Noyes vividly described the annual banquet of the Illinois Federation of State convention held recently at Hotel Sherman.

Mrs. Gallagher announced the names of two new officers, Mrs. Roy S. Lindgren, recording secretary and Mrs. R. O. Hartberg, corresponding secretary. The retiring officers are Mrs. M. E. Kohl-hase, and Mrs. P. H. Gilson. Mrs. Gallagher also announced the names of Mrs. E. C. Clevon as the new Fine Arts chairman, to supplant Mrs. L. W. Kester. Mrs. H. W. Carlson, Library Board chairman, supplanting Mrs. L. G. Johnson.

Mrs. P. H. Gilson was introduced as the new member of the Advisory committee and Mrs. M. B. Pendleton, as Press chairman.

Miss Jean Bolton, Miss Virginia Gould, Miss Shirley Jonas, sang delightfully a group of songs. Miss Jean Bolton also played a piano number "All Through the Night" arranged by Cyril Scott. Mrs. E. C. Bolton, retiring music chairman, presented this program.

The singing of "America" concluded the luncheon program, following which cards were played.

The beautiful flower decorations were arranged by Mrs. Trygve Maseng, hostess chairman and her committee. Mesdames Matt, Mueller, Noel, Pankonin, Pendleton and Roderick.

## Camp Fire Shutanka

An early summer Shutanka\* will be held by the Camp Fire Girls and Bluebirds of Arlington Heights, Barrington, Bensenville and Mount Prospect at Camp Reinberg in Deer Grove on Saturday, June 8. With them will be the Guardians and other members of the WeChiGaSo, the Guardians' Association for these towns.

The program will include a nature hike, early in the day, under the leadership of Mrs. Rex Volz, the wife of the district forester; a variety of handicrafts, under the guidance of the guardians, cooking over open fires, games, and in the evening a community sing of folk songs and closing with the Council Fire.

\* "Shutanka" is an Indian word meaning "to meet in council."

More than two hundred people gathered at the V. F. W. club house Saturday evening for a dancing and prize drawing party at which selection of the winners of more than \$200 in merchandise prizes was made.

Mt. Prospect was represented at the annual College Day activities of Lake Forest College, Lake Forest, Saturday, by Bob Haake, son of Mr. and Mrs. R. Haake; and Jack Gehringer, son of Mr. and Mrs. J. Gehringer.

Mrs. S. Noe, entertained the Mt. Prospect Catholic Woman's club Wednesday evening.

## Children's Classes For Flower Show Announced

The children's classes in the Woman's club flower show, Saturday, June 8, have been announced by Mrs. J. J. Hohmann, chairman for children's exhibits.

Mrs. H. R. Noll and M. E. Kohl-hase are on the committee for the Lutheran school. Mrs. Donald Florence, K. K. LeMay and P. H. Gilson for the public school.

The committee hopes that all school children will be interested in entering the following classes. Mrs. Hohmann will be glad to help children on their projects and they may phone her at 1151. There will be a special children's prize.

## FIRST YOUTH RALLY A SUCCESS

Ten Churches Represented

The first Northwest Suburban Youth Rally was held at The South Church on Sunday afternoon. Out of a list of nineteen churches in Park Ridge, Des Plaines, Mt. Prospect, Arlington Heights and Palatine, ten were represented in the gathering of almost one hundred youth and their leaders last Sunday. The rally was sponsored by the Northwest Suburban Pastor's Fellowship which is made up of the pastors of these churches. The pastors meet monthly for discussion, exchange of ideas, consideration of area problems, and initiation of such cooperative projects as the Youth Rally. The nineteen churches represented include nine different denominations as well as two non-denominational groups. These are all the Protestant churches in the area willing to cooperate in joint projects.

The program for the Rally included two anthems by The Chapel Choir of the First Congregational church in Des Plaines, prayer by Rev. Arthur W. Barwick, pastor of this same church, scripture reading by Miss Grace Strom of the First Methodist church in Palatine, and a talk entitled "The Sneer" by Rev. Edwin Ira Stevens, pastor of The South church. Presiding officer was Carl Toif, Jr., of St. Luke Lutheran church, Park Ridge. Mr. Stevens spoke to the group as the scheduled speaker was unable to attend due to sudden illness. Many young folks who attended went away expressing the hope that further rallies would be planned for next fall and winter.

## Okiciyapi Camp Fire

The Okiciyapi Camp Fire held a Mother and Daughter party at the South Church on Thursday evening, May 16. Twenty-five mothers and daughters were present. The program consisted of a recitation by Billie Frances Trunkey, a song by Sharon Wallace and a play, entitled "Mothers Day" in which the following girls took parts: Mary Lou Fasick, Corinne Wilson, Jo Ann Koester, Lucia Beth Stevens, Luanne Durland, Sharon Wallace, Patricia Johnson, Lois Budlong, Betty Jo Hohmann and Eva Maseng.

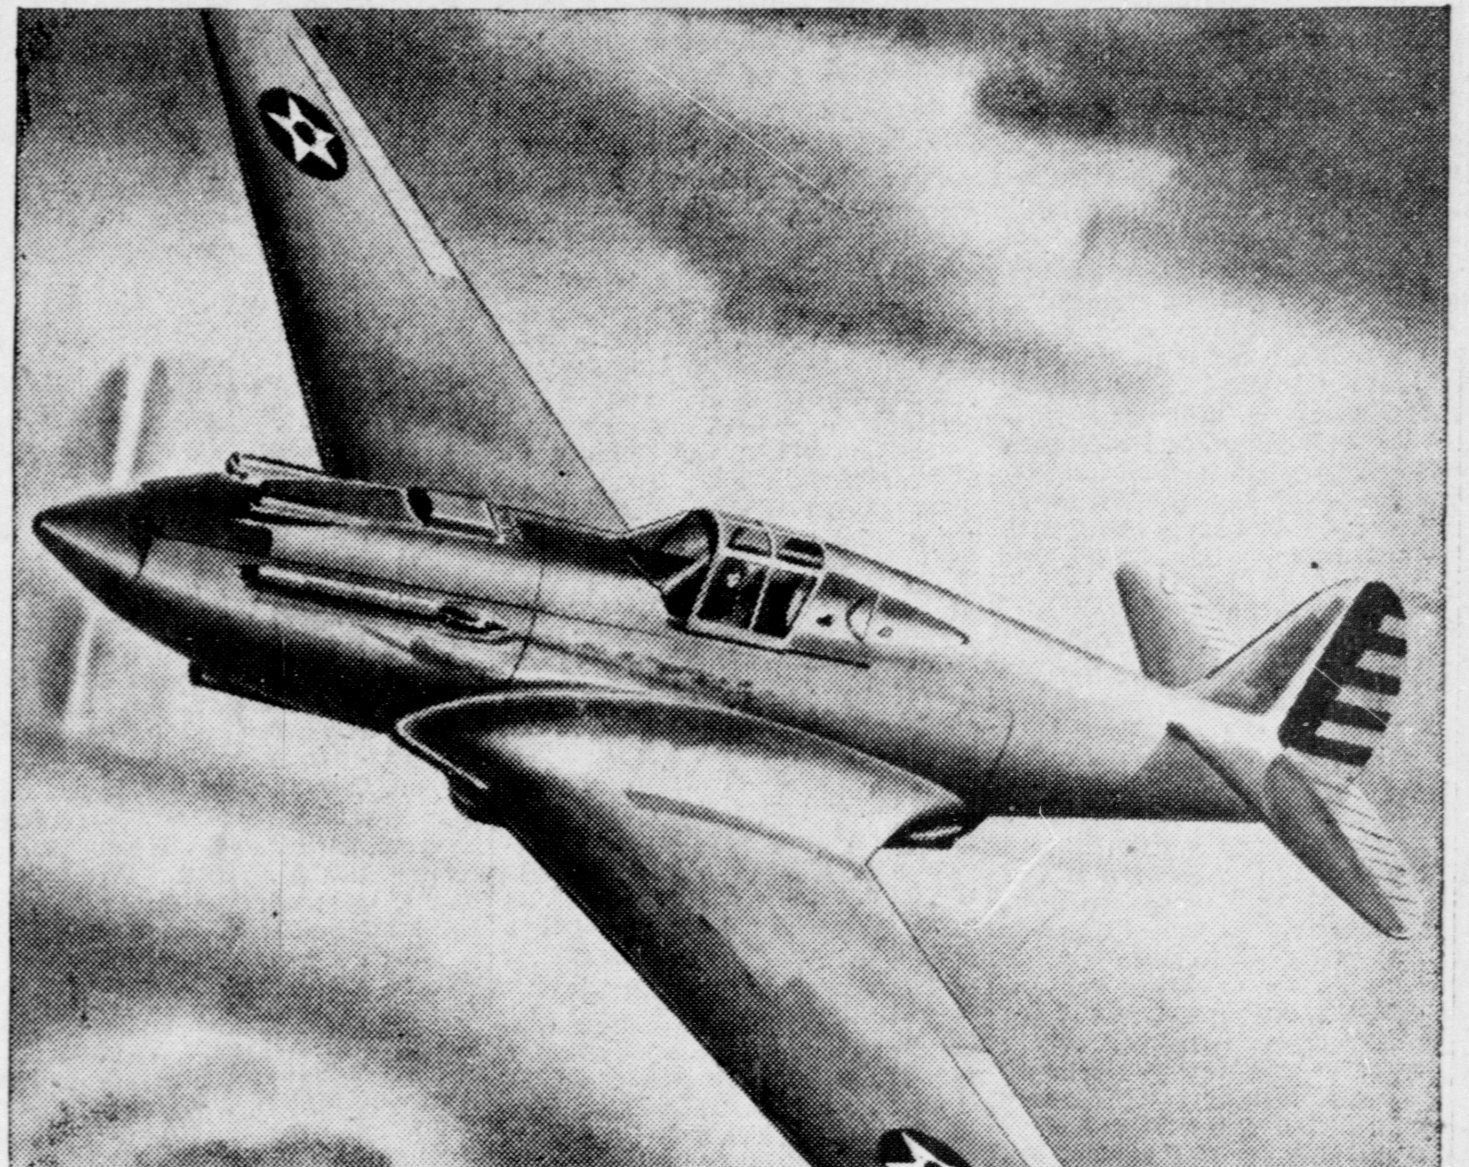

Mrs. L. W. Kester, as president of the South Church Guild, which sponsors this camp fire group, gave a short talk and recitation which the girls enjoyed very much. Lucia Beth Stevens acted as mistress of ceremonies. Miss Lorraine Jonas is the guardian of the Okiciyapi Camp Fire.

## Summer Round-up For Pre-School Age Children Thursday A. M.

The summer round-up for all the children of Mount Prospect who will enter school in the fall will be held Friday morning, May 24 from 10 to 12 o'clock in the library building.

There will be a free physical and dental examination, the local doctors and dentists contributing their services to this very worthy work.

# N. E. and N. W. Conference Track Meets at Niles, Palatine Friday

## Cards Play Postponed Niles Game Thursday

### Mac Says-

by GERALD A. Mc ELROY

Naperville, champion of the Palatine Relays, almost became champion of the state of Illinois. Coach Harshbarger's team came within a point and a half of the title which Proviso won largely on the individual performance of the colored boy, Farmer. Albrecht took a 4, second in the high hurdles. Zedrow third in the 100 yard dash and second in the 220, Nichols third in the high jump and Morrison fourth in the pole vault to account for Naperville's points.

#### Takes Third In Hurdles

Vynalek of Crystal Lake, the boy who could not run the hurdles at the Palatine Relays due to a speech contest, captured third in the state final low hurdle race. Vynalek competed in music at Battle Creek, Michigan, and then hurried to Champaign in time to qualify in the Friday preliminaries. Wilson of Crystal Lake ran a 445 mile but was way back at the finish.

#### Out of Luck in Final

Bell of Libertyville and Cipri of Palatine both qualified for the final in the 440 running from eighth lane position. In the final both got bad lanes and were lucky to finish as high as they did. Bell took fifth and Cipri was sixth. If they had not been better runners than 9 out of the 12 in the final they would have finished that high. Twelve boys were crowded together in seven lanes of the track without starting blocks or holes and instructed that they must run in the lanes 240 yards to the oval end of the track before they would be allowed to cut for the pole. The boys from Libertyville and Palatine had lanes 10 and 11 and so had not less than eight yards farther to run than the boys on the inside lanes. Bell and Cipri were running among the first four when they hit the curve but then came the eight yard handicap and in addition Cipri got his foot stepped on in the jam on the curve and was eleven going into the stretch. However, he came up to sixth just behind Bell who had been more fortunate on the curve. The boys who had the inside lanes took the winning places.

Smerdl of Danville who won the race in 25.3 from the inside lane was the only boy in the state who ran the 440 in the district meet faster than Cipri and Bell. Maybe it's all right but it seems a queer way to run a state final event in as short a race as a 440. In the districts up this way they ran in lanes from a staggered start and we had supposed they gave the boys just as fair a chance at Champaign.

#### Two Remarkable Records

Two new records which are really outstanding ones were chalked up at the state meet last week. We refer to the broad jump of over 24 feet turned in by Farmer of Proviso and the shot put of over 54 feet by Sabir of Lakeland. Waterman Coach To East Aurora Cecil May, successful basketball

## Cards Hitting, Pitching Beat Woodstock, 13-2

### League Leaders Still Unbeatable

Allen Johnson, Woodstock pitcher, held Arlington's league-leading Cardinals to one hit in the first three innings, but eventually wilted under the strain and took a 13-2 beating.

Two walks and a single loaded the bases in the fourth. Mel Garmes hammered home the first two runs of the game with a line drive which just missed the left ear of first baseman Poshersing. Four more runs scored before the inning ended.

Bob Bruhnke went the route for Arlington. He allowed nine hits and four walks but was unbeatable in the pinches, four times striking out the last man of the inning with men on base. He had a ten run lead before permitting Woodstock to tally. Eleven men went down on strike outs, against his curve-ball pitching.

Arlington resumed the attack in the sixth inning against Phillips, second Woodstock pitcher. Bruhnke walked, Fimbach singled, Kehe tripled. Kirchhoff walked and Gus Stravros tripled. Four more runs were in. Another cluster of three scored in the seventh. Arlington had a total of thirteen runs on eight hits and ten walks.

Woodstock scored in the sixth on singles by Phillips, O'Leary and Carlson, and picked up a second run in the seventh.

The Cardinal defense was excellent. Kirchhoff roamed all over short left-field to take pop flies and launched a fast double play in the fifth after stepping on second to force a runner. Arlington's only error was a hurried throw in the second inning.

Woodstock got some good hitting from Johnson, starting pitcher and clean-up hitter, who collected three singles, and from Phillips, who got two. Six errors marred the defensive play.

Fred Kehe was the best Arlington hitter with a single and a triple, plus two walks. He drove in three runs and scored two. Mel Garmes scored twice, hit twice, and drove in two runs. This, added to a fine game behind the plate, gave Garmes a good day. Kirchhoff and Stavros each batted two runs home.

This was the tenth Cardinal victory in ten starts.

## Barrington Varsity Defeats Reserves

Rain on Tuesday morning forced postponement of the final conference game between Arlington Heights and Niles. The game will be played at Recreation Park on Thursday, May 23, if weather permits.

Barrington's varsity evened the count with Arlington's reserves Monday with an 8-7 victory. Al Stier allowed eight hits and was troubled by wildness, but only four of the eight runs scored against him were earned. He struck out eight men in seven innings.

Zimmerman held Arlington to five hits and struck out eleven. A hustling Arlington attack kept him in trouble and almost caught him in the seventh, when Dick Busse was nipped at the plate by inches with the tying run.

## Arlington Frosh-Sophs Beat Lake Forest

### Local Trackmen Pull Upset, 64-40

Arlington's Frosh-Sophs won an unexpected victory in track this Monday by defeating Lake Forest high 64-40. At least it was unexpected to Arlington. Piling up a size margin in the field events they overcame a deficit in the running events and won rather handily.

Fifteen boys scored for Arlington, ten of them sophomores and five Frosh. Ten boys broke into the points for Lake Forest being evenly divided, five Frosh and five Sophs.

Lake Forest uncovered a real coming star. A tall slender Freshman named Cascarano reeled off a 10.8 second hundred and an even more impressive 23.9 second two hundred. Few first teams around here have boys capable of these performances. Lightbody in the high hurdles and Quasay in the four forty won Lake Forest's other firsts.

Arlington was led, as usual, by Bolte, Morici, W. Rohlwing, Bowlin, Simon, Busse and Gendner were other first place winners in the broad jump, half mile, pole vault, shot, discus, and high jump.

100 yards: 1st, Cascarano (LF); 2nd, Ross (Arl); 3rd, Morrell (LF); time 10.8 sec.  
220 yards: 1st, Cascarano (LF); 2nd, Bolte (Arl); 3rd, Morrell (LF); time 23.9 sec.  
440 yards: 1st, Quasay (LF); 2nd, E. Rohlwing (Arl); 3rd, Morici (Arl); time 58.2 sec.  
880 yards: 1st, W. Rohlwing (Arl); 2nd, Cook (LF); 3rd, Biese (Arl); time 2:25.5.  
120 yards: high hurdles: 1st, Lightbody (LF); 2nd, Bolte (Arl); 3rd, Gendner (LF); time 1:01 sec.  
120 yard low hurdles: 1st, Bolte (Arl); 2nd, Coin (LF); 3rd, Kamps (Arl); time 1:4.9 sec.

## Bensenville, Crystal Lake Are Favorites

### Arlington and Palatine Track Squads May Be Runnersup

By G. A. McELROY

Palatine and Niles will be hosts to the annual track meets of the Northwest and Northeast conferences Friday afternoon. At Niles the powerful and well balanced Crystal Lake team, coached by Owen Metcalf is an odds on favorite with Arlington along with Lake Forest and Libertyville rated a chance to take runner-up honors. At Palatine it looks like Bensenville will repeat their conquest of last year, but the Pirates will force them to the limit.

At Niles the meet will open at 2:00 p. m. with seven schools competing. The meet at Palatine involving only Antioch, Barrington, Bensenville, and Palatine will start at 3:30 as preliminaries will be necessary in only one track event. In the Northeast loop the relays will count for points in determining the league champion but no points will be given in the Northwest circuit for these events. The Northeast has a Frosh-Soph relay while the Northwest restricts their 440 relay to Freshmen. In both meets the points and medals will be for five places in each event with a two entry limit per school in each event.

The Northeast order of events in the track will be as follows: preliminaries on high hurdles and 100 yard dash, mile run, high hurdles, 100 yard dash, frosh-soph relay, preliminaries of low hurdles and 220 yard dash, 440 low hurdles, 220 yard dash, medley relay, 880 yard run, 880 yard relay.

In the Northwest conference the track events will be run off as follows: high hurdles, 880 yard run, 100 yard dash, freshman relay, 440 yard run, low hurdles, medley relay, 220 yard run, mile run, 880 yard relay.

## Palatine Frosh-Soph Lose To Libertyville

Libertyville's Frosh-Soph track team handed Palatine a one sided defeat of 85-32 in a dual meet at Palatine Tuesday. It was too much for the Libertyville boys scored five first places by taking both hurdles, the 220, the high jump and the shot put. McCormick won two dashes. Marks made by Libertyville were unusual for sophomores. The junior Pirates scored but two first places. Birks, competing in five events, scored 11 of the Palatine points.

Summary  
50 yard dash: won by McCormick (L); Birks (P); 2nd; Piche (L); 3rd; time .05.8.  
100 yard dash: won by McCormick (L); Birks (P); 2nd; Dawson (L); 3rd; time .10.9.  
220 yard dash: won by Hoskins (L); Shields (L); 2nd; Schwolow (P); 3rd; time .25.7.  
660 yard run: won by Zerner (L); Cipri (P); 2nd; Reilly (L); 3rd; time 1:34.2.  
880 yard run: won by Shields (L); D. Field (P); 2nd; Reilly (L); 3rd; time 2:13.9.  
70 yard high hurdles: won by Hoskins (L); Piche (L); 2nd; Jones (P); 3rd; time .10.2.  
110 yard low hurdles: won by Hoskins (L); Piche (L); 2nd; Jones (P); 3rd; time .14.2.  
Freshman relay: won by Libertyville; time .50.6.

### Spring Cleaning

Tony greets the springtime  
With a trowel for a wand;  
She stirs the roots of her mulched plants  
And makes the weeds abscond,  
All weeds must go!

Her incense is the fresh black loam,  
Enriched, if you must know—  
And the piny whiff from the tree-tops  
Where soft winds come and go,  
South winds must blow!

She wears a leafy coronal  
And queens it down the walk,  
Exacting due obeisance, right and left,  
From every flower stalk—  
A pretty show!

She likes her gay spring garden  
But her heart gives a dancing beat  
When she thinks of spring frocks hanging  
In her closet, fresh-cleaned and neat—  
As all Eves know!

Adam and Eve spruced up the garden and Betsy put stalks of lilies of the valley in the bird bath, so the next morning the rose-breasted grosbeak alighted square in the middle of the grass plot, taking the sun on his rosy breast and looking as he had found a bit of his native eden.

S'Amuser.

## Shrubs and Trees Meeting Needs Of Farm Gardeners

There's a lot of difference in beautifying homes in town and country, especially in available space and working hours, points out Henry W. Gilbert of the University of Illinois College of Agriculture.

In town, space may be limited, but long summer evenings allow time for attention to annual and perennial plants that offer most flowers from the least space.

On the farm, rush seasons mean long hours and little leisure when flower gardens may most need weeding, cultivating and watering, says Gilbert, who is extension landscape gardening specialist. However he says grounds around the farm home are usually ample for more of the ornamental trees and shrubs than those of the town dweller.

Planting a few shrubs this season and adding a few more from time to time will soon make the

## Wilbert Gieseke Wins 7th Place In Judging Test

Wilbert Gieseke, Palatine, placed 7th among the 90 boys entered in the fatstock division of the livestock judging contest held last Friday, May 17, at the Hawthorn, Deerpath, and Wilson Farms in Lake county. Alfred Moldenhauer, Harvey Bartels, Roger Meyer and Robert Schwankoff made up the remainder of the team that placed sixth among the eighteen schools entered.

The dairy team was composed of Raymond Linneman, Alfred Helgesen, Victor Baumgart, David Wente and Melvin Friesse.

The three high individuals on each team and the high individuals of the grain and poultry judging teams, that competed earlier in the year will journey to Urbana, June 14, to compete in the State Judging contest to be held at the University of Illinois.

Only four of the eighteen schools entered in the livestock judging contest last Friday failed to receive either team or individual ribbons. Ninety boys competed in each of the two divisions: Fat-

stock and dairy. The teams were more attractive and will conserve time in busy seasons. Shrubs and trees may need good care and watering for two or three seasons, but after that, if they are well selected, good woody plants, will practically take care of themselves, and what work is needed can be done at odd times and when farm work is slack.

Beautiful groupings of trees and shrubs need not be expensive. Many of the plants native to Illinois such as hackberry, redbud, hawthorn and dogwood are considered choice and are planted widely in other regions, where they are not likely to do as well as at home. Other plants not native may be grown from slips or cuttings from plants already introduced.

To families considering spring planting of shrubs, Gilbert suggests sending for the new Farmers' Bulletin 1826, "Care of Ornamental Trees and Shrubs," offered free by the U. S. Department of Agriculture, Washington, D. C. Furman Lloyd Mulford, who retired recently from the Bureau of Plant Industry, has summarized a lifetime of experience with woody plants and offers practical advice that will answer most questions about tree and shrub plantings. Mulford also advocates the use of native plants in farm plantings as more likely to be successful and able to grow vigorously without demanding too much time and atten-

## Farm Bureau Fertilizer Used On Test Plot On Martin Meyer Farm

Tuesday, May 14, Martin Meyer, assisted by Farm Adviser C. A. Hughes, planted a fertilizer test plot that promises to help answer numerous questions that farmers have with reference to the use of fertilizer in Cook county.

This was a piece of land that has never been phosphated but is in a fairly high state of fertility. The various plots were laid out so as to have checks in four places where no fertilizer is used and also a running check where a 0-12-12 fertilizer was used at the rate of about 100 pounds to the acre.

The soil on this plot tested very slightly acid. The phosphate was low and the potash high. It is typical of a good grade of general farm land in Cook county. "If we were to anticipate the results that we might get it would be that the high phosphate fertilizer treatment will show profitable results and that the potash would not on this particular farm. However, this we do not know," states Farm Adviser C. A. Hughes.

"The 0-12-12 fertilizer will give us an idea as to whether a medium, low grade fertilizer carrying both phosphate and potash is profitable. A straight 20 per cent acid phosphate will leave potash out of the picture. Other fertilizers have smaller and greater amounts of potash. One fertilizer, 3-12-12, is designed to find out if a small amount of nitrogen may give the corn an

earlier start in the spring. 3 per cent nitrogen is certainly not enough to make any appreciable difference in the corn yield unless an early seed off has some value. On another plot rock phosphate was drilled in in place of fertilizer. Some rock phosphate salesmen in Cook county are selling rock phosphate and representing that it can be planted as fertilizer in place of the field with profitable results. To us this seems rather far fetched since rock phosphate is not soluble fertilizer. Nevertheless we feel that it is no more than fair to give this recommended practice a trial. These rows lay in between four rows that have no fertilizer and four rows carrying a 0-12-12 fertilizer.

"A 0-20-20 fertilizer was made up carrying rock phosphate as the base of the phosphate rather than soluble acid phosphate. This has 20 per cent potash just the same as another fertilizer.

"During the summer there will be one field trip at least to this farm and in the fall the corn will be harvested and the results finally computed by the University, College of Agriculture.

"This field is located at the corner of Palatine and Wilke roads. After the growing season starts appropriate markers will be placed so farmers can inspect the corn as it grows."

## Evergreens Injured By Unusual Winter Weather, Farm Adviser Discovers

A number of complaints have come to Farm Adviser C. A. Hughes with reference to evergreens dying. For the most part these evergreens were planted out last fall, although in some cases they were older trees. On having a number of these specimens examined by the State Natural History Survey, it seems most of this injury was due to very dry soil last winter along with sudden changes in temperature and strong winds that caused them to dry out.

Perhaps the best thing that can be done with these evergreens is first to water them very thoroughly. In watering trees, as has been stated before in these columns,

a large quantity of water should be put on at one time and then water omitted for a considerable period of time. Evergreens, unlike other trees, do not shed their leaves in the winter time but continue a dormant kind of growth. They evaporate more water in the winter time than trees that shed their leaves and therefore drying will probably hurt them a great deal worse. When the ground is frozen during the winter it is almost the same as having the trees dug up.

There is some indication that vitamin B1 may be helpful to use on these trees in getting them revived and started into growth.

## County 4-H Boys Select First Aid As Important Phase In Health Project

"Doing their bit this year to make Cook County farms and communities the safest place in which to live will be nearly 100 4-H club boys who are undertaking the study of first aid as a health activity," announces Assistant Farm Adviser Charles N. Glover. This is the first year a major emphasis has been placed on first aid and probably a majority will be interested in the first aid program although special health activities such as accident prevention in the home and on the farm, control of communicable diseases and sanitation also are being offered as health activities.

Under the first-aid program, club members will learn methods to be used in resuscitating patients overcome by gas, electric shock, drown-

ing and choking. They will learn treatment for shock and methods to be used in the treatment of wounds, sprains, burns and scalds, sunburn and frostbite, poison ivy, poisoned wounds, fainting and nausea. The care of persons who have succumbed to sunstroke or heat exhaustion also will be studied.

Because of the high rate of accident on the farm and the distant location of farms, camps and other places where 4-H club members work and play, some time may elapse before medical aid can be secured.

stock and Dairy.

In the fatstock division, which is the judging of horses, swine, sheep, and beef cattle, Elgin received first place followed by Naperville, Hampshire, Maple Park, Sugar Grove and Palatine.

The ten high individuals receiving ribbons for judging fatstock were, 1st Geske, Woodstock; 2nd Rolfs, Elgin; 3rd, Don Hill, Elgin; 4th W. Berger, Naperville; 5th M. Drendel, Naperville; 6th Engel, Hampshire; 7th Wilbert Gieseke, Palatine; 8th Elmer Hill, Elgin; 9th W. Yagen, Maple Park; and 10th Venable, Capron.

Dundee placed first in the judging of dairy cattle followed by Lake Zurich, Huntley, Woodstock, and Antioch.

The ten high individuals receiving ribbons for judging dairy were 1st Reinking, Dundee; 2nd Case, Wauconda; 3rd Walkington, Woodstock; 4th Gussarsen, Antioch; 5th Trux, Woodstock; 6th Farmer, Lake Zurich; 7th Kugath, Huntley; 8th Kirkendall, Capron; 9th Loefer, Lake Zurich; and 10th Bushnell, Big Rock.

## Central Markets Receive Much of State Livestock

So long as effectively operated central markets give good service to livestock producers at reasonable rates, they will continue to receive large portions of Illinois slaughter livestock, in the opinion of R. C. Ashby, professor of livestock marketing at the University of Illinois College of Agriculture.

Of the total of 54,483 head of hogs reported sold last year by farmers in 10 Illinois counties, 82.2 per cent were sold through central markets, 4.8 per cent were sold direct to packers, 11.2 per cent were disposed of through local markets and the remainder was sold to neighbors or marketed as feeder stock.

Counties included in the survey and the percentage of their animals that went to central markets follow: Brown, 52.9; Edgar, 37.1; Henry, 83.5; Jo Daviess, 78.2; Knox, 85.5; Ogle, 95.3; Pike, 95.8; Schuyler, 95.6; Stark, 98.8; and Warren, 73.4.

Edgar is the only county showing more than 25 per cent of the reported hogs sold direct to packers. Brown and Edgar counties are the only ones reporting more than 35 per cent of the reported hogs moving through local markets.

"While some of the sales reported outside the central markets show an apparent advantage for the seller in terms of net return, others show an apparent disadvantage. If all the hogs sold outside the central markets had belonged to one owner, it appears that no net gain from such sales would have been made.

## Crandall Field Near Barrington Is Selected

State Officials And Farm Advisers From 5 Counties To Help

Field demonstrations for the weed eradication program to be held in Barrington next Monday will be held on the field just adjoining the south end of Evergreen cemetery, it was announced this week by William Rusk, general chairman of the event.

The field is owned by Margaret Crandall. Its use has been granted by O. S. Caesar, who has leased it. Part of the land is in corn, under the management of John Johnson, but approximately five acres are overrun with quack grass and thistle.

The field was chosen by H. C. Gilkerson, Lake County farm adviser, and Charles Inkster, seed inspector for the northern part of the state. Across the road, demonstrations of moving machines, and spraying apparatus will be given.

Farm advisers from Lake, McHenry, Cook, DuPage and Kane counties are cooperating with the Illinois State Department of Agriculture and the University of Illinois in sponsoring the program, to which residents of the five counties are invited.

The program will open in the morning with an exhibit of weeds and weed seeds in the Barrington high school auditorium, arranged by the state department of agriculture. At 9:30, Dr. James Barnes, state botanist, will identify weeds, especially those the farmers find difficult to distinguish.

Dr. L. N. Judah, assistant professor of hygiene at the university, will explain the relationship of weeds to public health. L. A. Moore, chief seed analyst of the state, will explain the law relating to weed control, and J. C. Hackleman, university crop specialist will explain methods of weed eradication.

### Children Need Real Companions, Says Authority

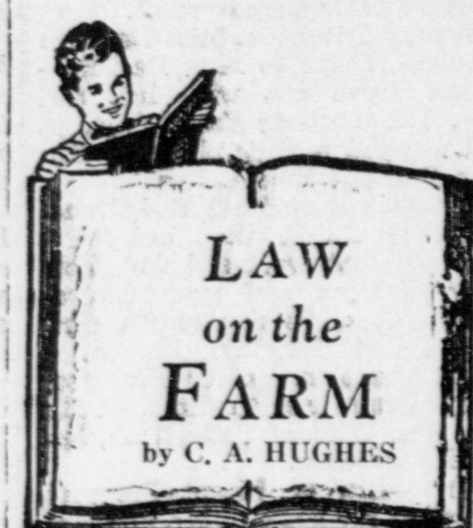

If it's a case of choosing between the neighbor's children, who usually are the imps of the neighborhood, and the imaginary companions with which a child is capable of "peopling" his new and small world, better take a chance on the flesh-and-blood playmates, counsels Miss Alva Anne Owen, authority on child development and parent education, University of Illinois College of Agriculture.

Recalled is the incident of the mother who permitted her small child to invite imaginary guests to a birthday party rather than real playmates because she felt the little children did not have standards equal to those she wished her own child to have.

Miss Owen said, "We will find some parents who feel the neighbor's children are not as desirable as they might be. However, while imagination is certainly a desirable characteristic in any child, it can be carried to an extreme, wherein the child prefers to play by himself and does not reap the benefit of contacts with other children."

The guilty feeling which a child is likely to acquire if he does not seem to be able to be spontaneous and natural and at the same time come up to family standards is a product of the over-zealous intentions of parents, Miss Owen said. The case was cited of families who

often try to make their children do more than they are capable of doing. The higher the standards of the family, usually the harder it is for them to accept their mistakes. However, it generally holds true that when a family feels sure that it must do something for the child's good, chances are the problem can be traced right back to the doorstep of the parents themselves.

Abstracts of title.—Purchasers of farm land need to know at least two important facts: the true value of the land in terms of earning power and the state of the title. Information about the latter can be gained only through a summary of the essential facts contained in all conveyances or encumbrances in any way affecting the land. An abstract is such a summary. In Illinois, county boards of supervisors may require county recorders to keep abstract books, but few recorders have been given this function. Generally, abstracts are prepared by private companies.

In the preparation of an abstract a search must be made through records in the offices of the county recorder, county clerk and circuit clerk. Each instrument or record, whether a deed, mortgage, release, divorce, decree or other document, is carefully abstracted for essential facts numbered and placed chronologically with other summaries. When all such records have been summarized and arranged, they are stapled together. The document is called an abstract.

Contrary to the belief of many people, an abstract is not a guarantee of good title. It is simply a record of what has legally affected the property. An abstract may disclose that the title is very insecure. One of the benefits of such a document is that weaknesses are disclosed and the purchaser given an opportunity to have defects removed before taking title.

Abstracts should be examined

**Here's the  
GARDEN TRACTOR  
you've been  
waiting for—  
THE NEW  
Simplicity**

THIS powerful, streamlined, low priced SIMPLICITY easily handles an 8-inch plow. You can plow up to 1 1/2 acres a day. Seeds from 8 to 10 acres a day with 3-row seeder (1, 2, 3-row seeders available). Handles complete variety of cultivating tools—cultivates up to 10 acres a day. Special tools for most garden operations.

The SIMPLICITY performs many farm jobs on a small scale—all garden jobs on a large scale. It will save you many dollars in upkeep over a horse; it will save time and labor over hand work. It's a proven tractor—thoroughly tested and approved by experts at SIMPLICITY'S own proving grounds.

SIMPLICITY Garden Tractors are available in three sizes—1 H.P., 3 H.P., 5 H.P. Come in—see this marvelous SIMPLICITY Tractor—let us show you its up-to-the-minute features and advantages.

by a person competent to pass judgment on the facts which have been abstracted and capable of discerning the absence of necessary facts. Such persons are generally lawyers with a great deal of experience in preparing and examining real estate documents.

The cost of abstracts and of fees for examination are sometimes quite high. Because of this it is frequently recommended that a system of land registration or of public abstracting be inaugurated, thus making recourse to private abstracters and title examiners unnecessary. There is merit in such proposals. However, under the present system of recordation, it is good business for a prospective land owner or lender to procure an up-to-date abstract from a reliable company and have it examined by an experienced person.

## Parent-Teachers Hold Final League Leader Meeting; Install Officers

The Parent-Teacher's association held their final meeting of the year on Monday evening, opening with a pot-luck supper at which forty-two persons enjoyed a bountiful and delicious meal.

Before the business of the evening, the retiring president, Mr. D. C. Morrison and Miss M. Goss entertained with several vocal selections. The treasurer read the following annual report: Balance May, 1939, \$13.56. Received from phone calls \$5.55, two card parties \$86.25, dues \$12.25, making a total of \$117.61. Expenditures, telephone \$41.67, National & State dues \$9.40, Christmas party \$10.04, Boy Scout magazines \$9.75, Lincoln books \$4.00, convention \$10.00, speakers \$8.00, miscellaneous \$3.38, making a total of \$96.24 and leaving a balance of \$21.37.

The president gave a brief report of the program of the past year which was based on the theme "Democracy." The membership for the year was fifty-nine.

The president thanked all committee members, the school board, the teachers, and the janitor for their active cooperation and all members for their loyal support.

Mr. O. W. Ellwood gave an interesting report on the addresses of two of the principal speakers at the P.-T. A. convention. Mr. Morrison gave a brief resume of the entire convention schedule, emphasizing the fact that the Wheeling delegates were present at all sessions. Both delegates testified to values received and recommended that the local association be represented at the convention each year.

The new officers were installed by the president of District 28 P. T. A., Mrs. Henriksen, of Des Moines. The president-elect, Mrs. A. A. Fassbender, was unable to be present because of illness.

Those installed were Vice-president, Mrs. L. Lee, Secretary, Miss Elizabeth Bray, Treasurer Mrs. C. Wiedner. Following the installation, Mrs. Dickey of Des Moines was introduced as president of the P.-T. A. council of the Northwest area. She spoke briefly on the purpose of the council and recommended that the local unit become a member of the council. Just before the meeting adjourned the retiring president was handed a surprise package, a gift of appreciation from the association.

Mr. and Mrs. C. G. Hall drove up from Westfield, Illinois on Sunday to bring Bobbie Nielson back home. Bobbie has been staying with his grandparents at Westfield since his new brother came last January.

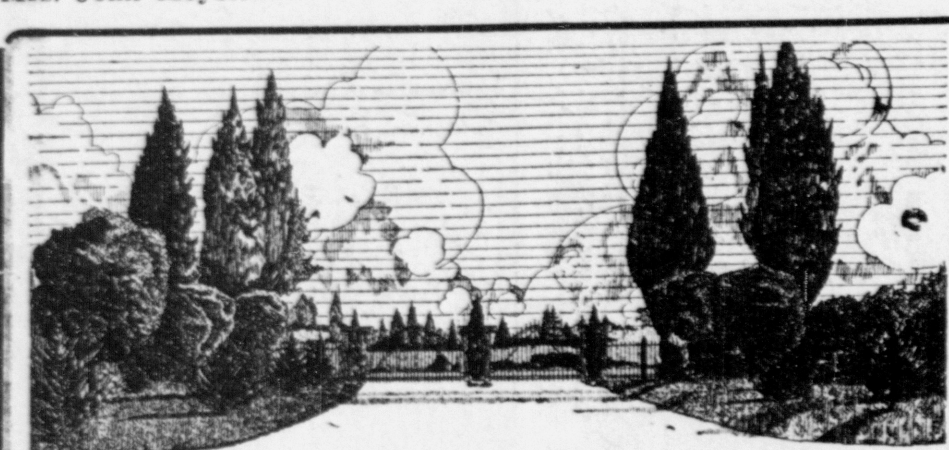

The Wright family and Mr. G. Stern of Northbrook, visited friends in Norwood Park on Sunday.

Anabelle Lee spent Saturday with her friends Alice and Ellen Raley.

Forty-five friends and relatives surprised Mr. Geo. Rutkowski on his 68th birthday last Saturday evening. Out of town guests came from Des Moines, Glen Ellyn, Waukegan and Wisconsin. Mr. Hardt of Des Moines furnished music for dancing. A delicious lunch including a large birthday cake was furnished by relatives. Everyone present enjoyed the evening and Mr. Rutkowski said he never felt younger in his life.

Mrs. A. Schultz has been confined to her home because of illness the past two weeks. We hope she will soon be restored to health.

The John Meyer family of Elmhurst spent Sunday with Mr. and Mrs. John Meyer.

## EUCLID LAWN CEMETERY

a corporation not conducted for profit, announce that for the past 5 years they have been selling lots in the Lutheran sections and in the non-sectarian section at the entrance at prices much below those asked in other cemeteries in our vicinity. In the very near future these prices will be very materially increased. This announcement is made to enable those persons who have been putting off the purchase of lots in these sections to purchase at the present low prices. Terms can be made to suit your convenience. Office open Sunday afternoons.

## Eleven To Graduate At Wheeling School Commencement Exercises

Wheeling school commencement exercises will be held on Friday evening, May 31, at 8:15 p. m., in the Community hall.

The eleven graduates who will receive their diplomas are Charlotte Slottag, Ingrid Nielsen, Virginia Ziolkowski, LaVerne Moeller, Marianna Dugo, Elizabeth Okley, Elizabeth Grandt, Margaret Schmidt, Bernice Brumm, Edward Welflin, and Wilbert Utpadel.

All but three of the class began their elementary education in the Wheeling school as well as completing here, and the majority of the class plan to attend high school. Mr. M. Bollman, assistant superintendent of schools, will be present to participate in the program. Everyone is welcome to attend.

Mrs. Marbet of Glenwood was a guest at the Wright home on Thursday.

A large audience of parents and friends enjoyed the concert held by the Northwest Guitar club in the gym last Friday evening. Local young people who participated in the recital were Esther Grandt, Evelyn Weigt, Ruth Rockenbach, Alice Ortelge, Betty June Graff and Frank Graff.

Mr. and Mrs. Merle Willis motored to Hoopeson last Thursday where they spent the week-end with Mr. Willis' parents.

Mrs. Arthur Miller and the Misses A. and L. Schneider attended the annual Spring Festival of the National College of Education at Evanston on Friday evening. The festival program was beautifully presented in song, drama, instrumental music and dancing. Colorful costumes enhanced the various performances of the program which closed with the presentation of the May Queen and her court. Local students attending the college are the Misses Marilyn Miller and Esther Rogalski.

## Des Plaines Veterans Of Foreign Wars Opportunity News

## Madison-Halsted Street Area Is Center Of Mission

Those who attended services at the Presbyterian church on Sunday morning and evening were privileged to hear of the redeeming power of the gospel of Christ as it ministers to the "forgotten" men of Chicago thru the Chicago Christian Industrial League.

The Rev. Wm. Seath, who is superintendent of the League, told of case after case of broken men who have been lifted out of black despair and sometimes the very jaws of suicidal death, in his message to the congregation at the morning service. At the evening service three of the men who have been reborn at the League to a new life of usefulness for God and their fellow-men were present to give their own stories.

The League is located at the heart of the Madison-Halsted st. area where 50,000 homeless men gather and is the largest rescue mission in Chicago and one of the most efficient in the country.

The League maintains that the Gospel of Christ must be the basis of any successful program of rehabilitation. It also believes that it is folly to attempt to prove to men that God loves them, and yet fail to demonstrate that love by a deep concern for their physical well-being. Because of this the Gospel message is "backed-up" by the giving of food, shelter and other material service.

Through its industrial division about 125 men find work suitable to their previous training, and also provides 85% of the financial support of the League. Work of this kind awakens ambition and desire to regain their skill and increases their self-respect as they live at the League until ready to take their place back in society. The average time spent as residents at the League is six months. Work provided by the industrial department of the league consists of the collection, reconditioning and sale of discarded materials donated by generous friends of the league.

Residents of Wheeling have been contributing to this work since one of the trucks from the League has been coming here periodically the past six months and the Rev. Mr. Seath expressed his gratitude for our cooperation. We feel it is a privilege to have a share in the reclaiming of men for God and their fellows.

The League makes use of practically any kind of discarded materials including clothes, dishes, books, papers, tools, furniture, etc. If the truck does not stop at your home and you have something to give them, notify the local pastor and he will gladly direct them to make the pick-up.

## Arlington Enlarge Turf Program at

Arlington Park, the only track on the United States northern circuit fostering turf racing, notably will expand its program for racing over the grass during the 30-day meeting from June 20 through July 27, announced John D. Allen, president of the Arlington Park Jockey club, this week.

Details of the plans for racing over the beautiful mile turf course in the infield now are being worked out by Racing Secretary Robert S. Shelley, but Allen said that the new policy will call for a turf race a week instead of only two or three a week as in previous years.

At least four feature races on the grass, graduating in purse value from \$1,500 to \$2,500, will be offered as supporting headlines to Saturday stakes during the thirty days of racing at the northside track.

Tentative plans call for overnight turf features to support the Arlington Matron Handicap on June 29, the Hyde Park Stakes of July 6, the Lassie Stakes on July 13 and the Arlington Futurity on closing day July 27.

Turf racing on the oval inside of Arlington's mile and a furlong main track always has been a popular and spectacular highlight of the Chicago racing season and also has gained strong following in the winter at Hialeah Park, the only other flat grass racing course in this country. There is a turf course at the Hamilton Jockey club track in Canada.

The presence in this country of many horses trained to run on the grass courses in England and France, turf racing specialists developed at Hialeah Park and in South America will be the chief recruits to Arlington's expanded turf racing.

## Wheeling Center School Year To End With Social, Dance

With an ice cream social on the afternoon of Sunday, June 2, and a dance June 8, the Wheeling Center school, located on Palatine rd., at Schoenbeck, will have closed an eventful and exceedingly successful school year.

The untold efforts of an energetic board and district made possible great improvements in the plant and within the classroom.

Foremost is the school's recognition by the Illinois office of instruction—meeting all the requirements established by the state as necessary for the maintenance of an adequate educational program.

Of almost equal importance is the establishment of a comprehensive health program. Physical and dental examinations and protection from diphtheria and small pox were afforded all students as a free service. This work was sponsored by the school board and was made possible by the generosity of Doctor Buck of Palatine and Prospect Heights, and Dr. Jensen, Mt. Prospect dentist.

Corresponding improvements have been accomplished in the instructional field. The school library has been greatly augmented through the addition of many new volumes. Additional teaching aids have also been provided. Substantial sums have been appropriated for the purchase of a wall map series and the acquisition of a new set of encyclopedias. New possibilities have been opened for greater classroom efficiency.

Of importance to the future is the organization and the rooting of strong, local Parent-Teacher movement. It has assured its permanence thru its successes and has proved itself a highly necessary part of the school. Many of the volumes added to the library came thru their efforts.

Another group which has worked hard towards the betterment of educational facilities is the improvement association of Prospect

Heights. It is from this new and thriving community that the bulk of the student enrollment is recruited. Notable among the contributions of this civic minded group during the last year is the erection of a flag staff on the school grounds and the gift of an electric range, sink, and dishes to the school kitchen.

So successful a year could never have been possible but for the strong bond of community feeling and a deepened conviction by all to afford their children every educational advantage.

## LOCALS

Mr. and Mrs. Norman Olsen were dinner guests of Mr. and Mrs. Jim Nielsen, at the Fireside tavern, at Tessville, on Saturday evening.

Sunday Mr. and Mrs. Jim Nielsen had as their dinner guests Mr. and Mrs. Schneider, and their son of Chicago.

Mr. and Mrs. Jim Neagles and Jim Jr., left late Saturday night for Fremont, Wisconsin, where they expected to do some fishing, but they were not quite as lucky this week-end since they returned Monday evening without catching one fish.

Mrs. Elinor Jennrich is enjoying her vacation this week. Wednesday morning Mr. and Mrs. Jennrich left for Alton, Illinois, where they expected to enjoy a few days visiting a number of Elinor's relatives.

Mrs. Marion Shepherd entertained Mrs. Helen Jost, of Villa Park on Tuesday.

Greetings have been received from Mr. and Mrs. Harry Steele, formerly of Prospect Heights, who are now making their home in San Bernardino, Calif. Both "Dick" and Harry are enjoying their new location very much.

Congratulations to Beverly Schaff who celebrated her 16th

birthday on Saturday, May 18th. Beverly entertained several of her aunts, uncles and cousins.

Mr. and Mrs. Roy C. Bolt and daughters Joan and Martha were dinner guests on Sunday at the home of Mr. and Mrs. James McDonald, in Chicago.

Mr. Roy Bolt returned from a business trip to Clinton, Iowa, on Saturday evening. He left again on Monday for Champaign, Illinois on another business trip.

Mr. and Mrs. Jim Pies, Hillside, visited with Mr. and Mrs. Rauen Tuesday evening. Sunday evening Mr. Curt Trommer and Paul Weck visited with the Rauen's during the evening, as did Nan's brother John Tweedie and daughter, Joanne, of Park Ridge, also Ronnie Tweedie, Nan's nephew.

Early Monday morning, Mr. and Mrs. Daniel Robertson, left for Hillsboro, Ohio, where they attended the funeral of Dan's uncle, Mr. Augustus Von Eggling, who passed away Saturday, May 11, and was laid to rest on Tuesday, May 14th. The folks returned home Wednesday evening. We extend our deepest sympathy to these folks in their bereavement.

Sunday afternoon, Miss Bernice Schettko, sister to Mrs. Dan Robertson drove out with Mr. and Mrs. Ed. Paschke from Chicago, and enjoyed a very pleasant visit with Dan and Emma.

Grandma Ruth Matz, and Grandma Elizabeth Hartke enjoyed a very pleasant week-end with both their children and grandchildren the Hartkes. Both Grandmas returned home Monday forenoon.

Mr. and Mrs. Homer Torreyson enjoyed supper at the home of Mr. and Mrs. William Unverferth, last Sunday evening.

Mrs. Kirk of Mount Prospect, visited at the home of Mr. and Mrs. Torreyson, Monday evening.

The Wilson P.-T. A. conducted a card and bunco party at Simon's Cafe, Rand road, last Friday evening, and a number of folks from Prospect Heights attended, among them being Mr. and Mrs. A. V. Allord, Mr. and Mrs. W. E. Abbs, Mesdames Bolt, Hartke, Kartcher and Rauen. All of the folks enjoyed a grand evening, with Mrs. Abbs and Mrs. Kertcher taking home the prizes from their respective tables.

Mr. and Mrs. W. F. Abbs, parents of Mr. W. E. Abbs, McDonald road, were dinner guests on Sunday. During the afternoon Miss

Celia, and Miss Lydia Hausam, also their brother Frank, of Arlington Heights, who are related to the Abbs family dropped in for a short visit. Later in the evening Mr. and Mrs. Abbs and their guests attended the Commencement play at St. James Catholic school, in which their son, John took part.

A number of the children in Prospect Heights took part in the Commencement play at St. James Catholic school. Among the children who took part in the play were Jackie and Jimmy Olsen, Doris and Jeanette Larson, John Abbs, Daisy Derrig, Charles Schiller, and Joan Portman. Those who were fortunate enough to attend the play report a grand time.

Mr. and Mrs. William Funck, and son Richard, of Rogers Park, were week-end guests at the home of Mr. and Mrs. Joseph Orose.

Mesdames Colley, Burch, Rowader and Sobwick drove 22 of the younger girls in the community out to Deer Grove park, on Dundee road, last Saturday morning about 10:00 a. m. The girls are all members of the Girl Scout Troop, under the leadership of Miss Kathleen Wynn. The girls enjoyed the day roasting wieners and marshmallows, and returned home about 4:30 p. m. Miss Peterson, of Chicago, friend of Miss Wynn, also enjoyed the day with the girls.

Mrs. Sobwick Sr., mother of Ed. Sobwick, and Miss Sally Sobwick enjoyed dinner with Ed and Marcella, Sunday and during the afternoon the ladies drove out to Lilac Park, at Lombard, Ill.

Mr. Carleton Smith and Mr. E. Sobwick left Friday evening for Rhinelander, Wisconsin, where they expected to catch some fish, but the weather was very much against them and they returned home early Sunday without any fish.

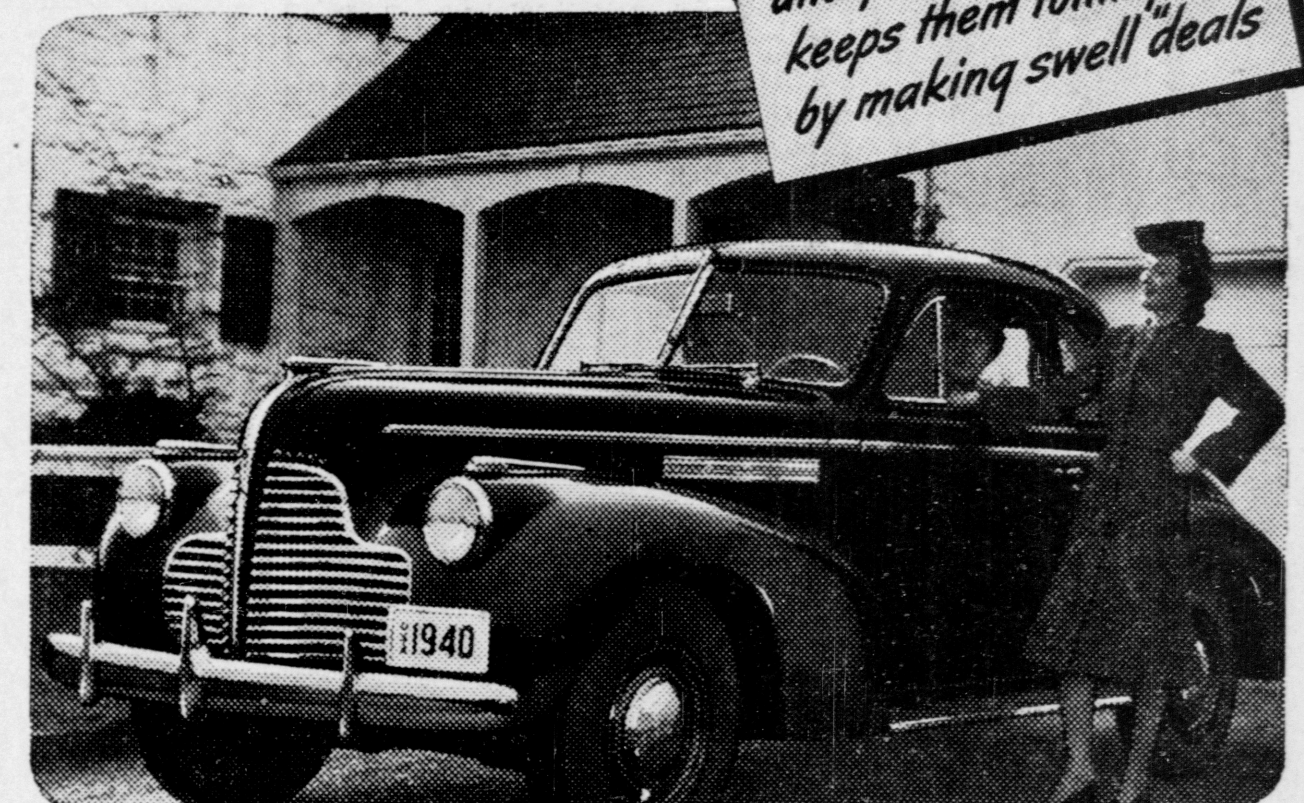

Sunday evening Mr. and Mrs. Rowader, and Mr. and Mrs. Burch were guests at supper at the home of Mr. and Mrs. Joseph Knollmueler.

Mr. and Mrs. John Burch attended the afternoon performance of "Gone With the Wind," at the Woods theater, on Sunday.

Mrs. John Burch entertained her mother, Mrs. L. Skibbe and her cousin, Mrs. H. Gurske, and son, Richard on Tuesday of this week. The folks arrived during the forenoon, and enjoyed a very pleasant day, despite the rain.

There's One  
you can't pass by!

They're rolling out fast...  
and your Buick dealer  
keeps them rolling  
by making swell deals!

ENTICING are the offerings flagging your eye from behind the plate glass along Automobile Row—how in the world can a poor mortal pick the best of the bunch?

You can't try them all, it's plain. But there's one thing you can do that makes a lot of sense.

Just give yourself a yardstick to start with.

Take the car that all the talk's about. Give yourself something to go on by trying a Buick first.

Of course, it may be tough on the next fellow once you've sampled Buick's swift and thrifty Dynaflex straight-eight — no other engine made is balanced after assembly to slick-as-watchworks smoothness.

And stout, soft coil springs all around, especially when combined

with ride-steadying torque-tube drive, may spoil you entirely for any other kind of ride.

Again, there are things like recoil-mounted Knee-Action, pressure-sealed cooling systems, Two-Way Direction Signals with automatic cut-off and so on that you simply can't find elsewhere.

But it isn't only Buick's six-dozen new features that make this the car you can't pass by—it's also the price.

That puts a really great car within your reach. It buys not only a lot of exclusives and extras, but gives you more of the basic things, such

as power and size and deep-rooted sturdiness — a longer car and the sturdiest frame at the money.

Current prices† start at \$895 ★ for the business coupe, delivered at Flint, Mich.—transportation based on rail rates, state and local taxes (if any), and optional equipment and accessories extra.

That adds up to delivered prices that will open your eyes wide—so why not ask your Buick dealer for the whole story and a free demonstration?
